

Welcome to Eastgate SDA Church!

A message from Pastor Eric Sayler

Eighteen years ago this December Stacie and I committed our lives to each other. It was an absolutely perfect ceremony: our friends were there, our families participated, the pastor who dedicated Stacie as a baby officiated (thank you Dr. Bigger!), and best of all we got married (kind of the point, wasn't it?)!

It was wonderful.

As beautiful as that wedding was, it was only the beginning. If that ceremony was the totality of our experience together it would have been special but woefully lacking. I'm SO thankful that we've had the nearly two decades since!

As we consider our future as followers of Jesus it's sometimes easy to focus on the Second Coming, and that's OK. It's going to be wonderful, it's called the Great Hope for a reason. But the Second Coming is not the end of the story! There's so much more to know and look forward to!

This Sabbath morning we will be joining Pastor John Bradshaw as he begins to explore the rest of the story at 11:00am entitled "Lockdown: A Place of Isolation." That's this Sabbath Morning on www.hopeawakens.org or www.itiswritten.tv

I know you will be blessed and encouraged by His message!

In addition, I invite you to watch his messages at 7:00pm Friday night, "Beyond the Light" and Saturday night "A World Without Fear."

May the Lord bless you with rest and the presence of the Spirit this Sabbath day.

~Pastor Eric

This Weekend: 11:00am May 2, Pastor John Bradshaw; Hope Awakens!
HopeAwakes.com or itiswritten.tv or HopeAwakes.org.

Hope Awakens is Reaching Thousands!

On opening night, there were about 16,000 viewers in spite of the platform crash. This past weekend there were more than 14,000 and 11,000 viewers on Friday and Saturday night respectively. On Friday night, more than 1,600 people filled out a decision card via texting. It has been difficult to keep track of the attendance because folks began watching Hope Awakens on a large variety of platforms due to the systems crash the first night. The only accurate way to track attendance is from HopeAwakens.org the main landing page. So attendance is probably higher than these figures. Please continue to pray for those attending these meetings!

- ✓ Where are we in earth's history?
- ✓ Are there prophetic messages meant for people today?
- ✓ Why do so many think we are witnessing the prophecies of Revelation?
- ✓ Is America talked about in the Bible?

For those who have not listened to any of the presentations thus far, you can find the previous presentations on www.itiswritten.tv/programs/hope-awakens . Each presentation is approximately 60 minutes in length.

01 – Signs You Can't Ignore:

Diseases, natural disasters, violence and conflicts rage around the world. What are they telling us and, how can we find hope in their midst?

02 – Hope Awakens:

When your regular routine has been upended and tomorrow's plans are anything but certain, how can you know with certainty what the future holds?

03 - The Unseen Enemy:

Sometimes unseen things can dramatically change your life. Who or what is behind the chaos in the world today?

04 - Heroes in a Time of Crisis:

Heroes often emerge in times of greatest need. Meet a group of heroes in earth's darkest hour.

05 - From Failure to Victory:

Everyone knows what failure feels like. But how do you recover and turn that failure into a spectacular victory?

06 - Earth's Ultimate Remedy:

In a time when the entire world is searching for a cure, God provides a remedy for all sickness, sin and suffering.

07 - Rest and Recovery:

An ancient secret, a gift and the offer of rest and hope to humanity.

08 - A Matter of Trust:

What does trust look like? And what does it look like to trust in God?

Friday May 1 and Sabbath May 2, see descriptions in Pastor Eric's greeting, page 1.

Local Church Budget

Do we know our neighbor? Ellen G. White once noted: “Wherever a church is established, all the members should engage actively in missionary work. They should visit every family in the neighborhood and know their spiritual condition” (Testimonies, vol. 6, 296).

To a postmodern, ultra-busy, perennially distracted Western mind (such as a North American Seventh-day Adventist Christian), such counsel seems surreal or out of this age. Did she really say that we should know our neighbor's "spiritual condition"? Wouldn't that be a bit nosy? Perhaps offensive to our neighbor? Did she mean we should do that personally, or corporately as a church?

Her counsel seems to be clear: "wherever a church is established, all the members should engage actively" in ministry that will denote empathy, care, and genuine service. This was the model that Jesus Christ also followed. Our Savior cared for the people whom He served in the local communities.

We are called to serve our local communities personally and also corporately as a local church. Let us be faithful and support the ministry of our faith community and thus hasten the coming of our Lord Jesus Christ.

Plan now for the Thirteenth Sabbath Offering – June 27

The first “13th Sabbath Offering Project was introduced in 1912 to establish a mission in India. With approximately four hundred 13th Sabbaths since that first project, this offering has allowed the church to build schools, dormitories, hospitals, clinics, churches, mission-launches, lamb-shelters, printing presses and universities around the world. Often there is more than one project for an offering so there have been over a thousand projects. Because tithe money is not allowed to be used for buildings, the 13th Sabbath offering has usually been for construction-type projects.

This quarter’s offering will benefit the Trans-European Division in three ways: open a center of influence in Norway, establish a church in Serbia and construct a church and center of influence in Cyprus (refer to the map on the back of the Adult Quarterly).

You can give a Thirteenth Sabbath Offering any time throughout the quarter by marking your tithe envelope.

VIRTUAL CAMP MEETING COMING THIS SUMMER! – OREGON CONFERENCE

Gladstone Camp Meeting 2020 is going virtual! The COVID-19 pandemic has raised all kinds of questions about when large groups will be able to meet, or even whether people will be ready for that. In spite of the uncertainty, the spiritual food and comradery, the tradition of camp meeting is still important. So while we won't be meeting in person at Gladstone, we're already planning an interactive online experience that will encourage and connect us. What does *Virtual* mean? Programming will be accessible from your desktop, your tablet, or your cell phone. If groups are able to gather by then, churches can even host viewing parties! It all is still happening in July, with programming for all ages, including José Rojas as our featured speaker! We hope you'll plan to join us for a new way of doing camp meeting.
