

Welcome to Eastgate SDA Church!

A message from Pastor Eric Sayler

Everyone loves a good story.
Our brains seem to be hard-wired for narrative.

There's a reason why Netflix makes billions, campfires elicit tall tales, and libraries attract kids after school. We are fascinated by stories.

This Bible is a book of stories, too. From the first page to the last, not only is it full of stories, it is one giant story about how God is working to save humanity and restore His creation.

In the midst of this huge story are His people, his followers.

In the book of Revelation John describes how each of us has a story, too.

“And they overcame him (Satan) by the blood of the Lamb and by the word of their testimony.”
(Revelation 12:11)

This victory over Satan comes as the result of two things: Christ's work on their behalf on the cross and their re-telling the story of that work.

Christ has saved you and is working in your life. Because of this you have a story, and according to Scripture, it's a powerful story.

Not powerful because it's simply emotive like a dramatic movie, it's powerful because God is in, behind, and through, and the cause of it.

This Sabbath Pastor John Bradshaw will be sharing his story, his testimony with us at www.hopeawakens.org and www.itiswritten.tv. This will be the final installment of Hope Awakens, I hope you've been encouraged!

Also, you can connect with our recent Eastgate sermons on [Facebook](#) and [YouTube](#).

May God bless you this Sabbath!

~Pastor Eric

Eastgate SDA Church Happenings!!

Up-date on Asher Peterson

After many extra months of waiting, Asher is now moving to the next phase of his treatment! Back in January, Asher's medical team started a national search for a stem cell (bone marrow) donor to treat his Aplastic Anemia. Thanks to [bethematch.org](#) and a multitude of donors in their registry, we did not have any trouble finding a suitable match and a donor was identified in less than two months. Unfortunately, while the doctors were working out the logistical details for him to come to Seattle to prepare for the transplant in late March, the world changed. With Covid-19 cases ramping up quickly, it was too risky to start this treatment and leave Asher with no immunity so close to what was at the time the most severe outbreak of this disease in the western hemisphere. As testing capacity has now significantly improved and the spread of the disease has slowed, his doctors now feel that it is time. We received a call a few days ago that he has been scheduled to arrive for his appointment in Seattle next week on May 21st.

Between prepping for the transplant, the procedure itself, and monitoring afterwards, we will be in Seattle for four months. We always appreciate hearing that people are praying for us, and ask for extra prayer that the treatment process will be smooth and completely successful. We could also use an extra helping of God's peace in this time of stress on our family.

For those who are wondering what they can do, here are some easy ways to help other patients who may be experiencing illnesses similar to Asher's:

- Register as a stem cell donor at <https://bethematch.org/> (must be between the ages of 18 and 44)
- Donate blood at your local blood bank through <https://www.redcross.org/give-blood.html> or <https://www.vitalant.org/Home.aspx>
- Donate to organizations looking for better treatments for Aplastic Anemia, such as <https://www.aamds.org/forms/make-donation>

Are You Watching Hope Awakens?

As the series hits the halfway point, it is not too late to join! *It Is Written TV* is presenting a global on-line event which started on Friday evening, April 17. The presentations are Friday evening, Sabbath morning and evening, Tuesday and Wednesday evenings. They can be live streamed by joining at the following times: {see link below}

Tuesdays, Wednesday and Fridays at 4 pm or 7 pm West Coast time (PDT).

Saturday 8 am or 11 am West Coast time (PDT).

Saturday evening at 4 pm or 7 pm.

The virtual events will continue every Friday, Saturday, Tuesday and Wednesday through May 16.

Some of the questions that are being addressed are as follows:

- ✓ Are you looking for answers?
- ✓ Where are we in earth's history?
- ✓ Are there prophetic messages meant for people today?

- ✓ Why do so many think we are witnessing the prophecies of Revelation?
- ✓ Is America talked about in the Bible?

Offering This Week – Local Church Budget

When you think of your church, your life, are you like many of us who have celebrated milestones in special ways in a church? Maybe here in this Eastgate SDA church?

- ~Maybe you were brought to church as an infant?
- ~Maybe your parents dedicated you there with family and church family around you?
- ~Maybe you were brought to Sabbath School where along with lessons from your home you learned about Jesus and the love He has for you?
- ~Maybe as a teenager you were tempted to choose other pathways outside of the church? Yet in the process of searching you found yourself back in a church. A place where you were reminded of the childhood lessons about Jesus?

What has your church been for you?

- ~A place that centers you?
- ~A place where you and your children can feel safe?
- ~A place where you found belonging and fellowship?
- ~A place where you hear “the sweetest sounds”, the sounds of people praising in word and music?

Church can be a place where:

- ~ we Pray,
- ~ we Cry,
- ~ we Start {Weddings & Baby Dedications},
- ~Where we say Goodbye {Funerals & Memorial services},
- ~a place where we bring our pain to the altar, place it in God’s hands and leave it behind as we enter into His care.
- ~we find Forgiveness and Grace
- ~we Break Bread and share the Juice of the Vine
- ~we Take His Peace
- ~we Share the Holy Space

This week our offering is for our *Local Church Budget*. Thank you for your financial support of our *Local Church Budget* and our *Tithes*. However, please remember that our Tithe monies do not support our local church needs but primarily go to support the Conferences, the Unions, the North American Division and the mission of the global church.

Making Connections with Young Adults

The Youth and Young Adult department have started a virtual platform called BRIDGE. It is a movement to connect with God, each other, and the world around us. Bridge was built as a means of making connections and offering support to allow the collegiate/young adult community to thrive. There are many collegiate/young adults out there who are involved in ministry. We want to help them connect with others and use our resources to help them be successful. On the website at www.bridgenw.org and associated social media sites, you'll find a growing list of people in our Bridge community who are involved in ministry. We dare you to join them.

Plan now for the Thirteenth Sabbath Offering – June 27

The first “13th Sabbath Offering Project was introduced in 1912 to establish a mission in India. With approximately four hundred 13th Sabbaths since that first project, this offering has allowed the church to build schools, dormitories, hospitals, clinics, churches, mission-launches, lamb-shelters, printing presses and universities around the world. Often there is more than one project for an offering so there have been over a thousand projects. Because tithe money is not allowed to be used for buildings, the 13th Sabbath offering has usually been for construction-type projects.

This quarter’s offering will benefit the Trans-European Division in three ways: open a center of influence in Norway, establish a church in Serbia and construct a church and center of influence in Cyprus (refer to the map on the back of the Adult Quarterly).

You can give a Thirteenth Sabbath Offering any time throughout the quarter by marking your tithe envelope.

VIRTUAL CAMP MEETING COMING THIS SUMMER! – OREGON CONFERENCE

Gladstone Camp Meeting 2020 is going virtual! The COVID-19 pandemic has raised all kinds of questions about when large groups will be able to meet, or even whether people will be ready for that. In spite of the uncertainty, the spiritual food and comradery, the tradition of camp meeting is still important. So while we won’t be meeting in person at Gladstone, we’re already planning an interactive online experience that will encourage and connect us. What does *Virtual* mean? Programming will be accessible from your desktop, your tablet, or your cell phone. If groups are able to gather by then, churches can even host viewing parties! It all is still happening in July, with programming for all ages, including José Rojas as our featured speaker! We hope you'll plan to join us for a new way of doing camp meeting.
