

## ***Welcome to Eastgate SDA Church!***

### ***A message from Pastor Eric Sayler***

An invitation to Praise: Psalm 34 series  
Psalm 34:1-3

What fills your mind?

Far too often I get sucked into the bottomless pit of social media. These forums are intentionally designed to keep our attention, to keep us scrolling, to keep us clicking. By doing this it not only gets more ads in front of our eyes, it makes it them more a part of our lives. It deepens the habit of turning to Facebook, Twitter, Instagram, TikTok, and YouTube whenever we're bored, whenever we have a spare second.

They fill our minds.

This Sabbath we will begin a new teaching series on Psalm 34. Right at the beginning of this Psalm David emphasized what *should* fill our minds: Praise.

Join me on [Facebook](#) and [YouTube](#) (yes, I get the irony) as we worship and begin this series together.

Blessings,

~Pastor Eric

## **Eastgate SDA Church Happenings!!**

### **Up-date on Asher Peterson (second posting)**

After many extra months of waiting, Asher is now moving to the next phase of his treatment! Back in January, Asher's medical team started a national search for a stem cell (bone marrow) donor to treat his Aplastic Anemia. Thanks to [bethematch.org](https://bethematch.org) and a multitude of donors in their registry, we did not have any trouble finding a suitable match and a donor was identified in less than two months. Unfortunately, while the doctors were working out the logistical details for him to come to Seattle to prepare for the transplant in late March, the world changed. With Covid-19 cases ramping up quickly, it was too risky to start this treatment and leave Asher with no immunity so close to what was at the time the most severe outbreak of this disease in the western hemisphere. As testing capacity has now significantly improved and the spread of the disease has slowed, his doctors now feel that it is time. We received a call a few days ago that he has been scheduled to arrive for his appointment in Seattle next week on May 21st.

Between prepping for the transplant, the procedure itself, and monitoring afterwards, we will be in Seattle for four months. We always appreciate hearing that people are praying for us, and ask for extra prayer that the treatment process will be smooth and completely successful. We could also use an extra helping of God's peace in this time of stress on our family.

For those who are wondering what they can do, here are some easy ways to help other patients who may be experiencing illnesses similar to Asher's:

- Register as a stem cell donor at <https://bethematch.org/> (must be between the ages of 18 and 44)
- Donate blood at your local blood bank through <https://www.redcross.org/give-blood.html> or <https://www.vitalant.org/Home.aspx>
- Donate to organizations looking for better treatments for Aplastic Anemia, such as <https://www.aamds.org/forms/make-donation>

### **Did You Miss an episode of Hope Awakens?**

The Hope Awakens series of presentations has been completed. However, if you missed one or you would like to view or review any of the presentations they are available at <https://hopeawakens.org> They can also be found on YouTube by doing an internet search.

*It Is Written TV* presented a global on-line event which started on Friday evening, April 17. The presentations were on Friday evening, Sabbath morning and evening, Tuesday and Wednesday evenings. The virtual events will continued through May 16.

Some of the questions that were being addressed were as follows:

- ✓ Are you looking for answers?
- ✓ Where are we in earth's history?
- ✓ Are there prophetic messages meant for people today?
- ✓ Why do so many think we are witnessing the prophecies of Revelation?
- ✓ Is America talked about in the Bible?

### **This Sabbath's Offering Upper Columbia Conference Advance**

**A call to action.** Revelation 22:12 states: “And behold, I am coming quickly, and My reward is with Me, to give every one according to his work.” This statement calls us to action. It reminds us that our salvation has already been decided and will be granted when our Savior Jesus Christ returns the second time, which brings us to a second Scripture passage. Matthew 28:18-20 calls us to be witnesses to the world by teaching, baptizing, and observing eternal truths spoken by Jesus Christ.

The question is, “How do we do this?” In part, we achieve this through our personal example, lifestyle, faith, and dedication in our service to our local communities. We fulfill *the Great Commission* through our local conference fields.

The Upper Columbia Conference equips and empowers ministries to reach our local communities with the Christ-centered message of hope and wholeness. It sponsors evangelistic outreach, invests in youth programs, contributes to educational scholarships, builds and remodels church and school facilities, manages camps for retreats, and organizes need-based services.

***Through contributing to this Sabbath’s offering, you are directly and effectively serving the needs of our local region.***

Let’s continue to fulfill *the Great Commission* by actively funding our local Conference Advance ministries. By faithfully and generously giving, we serve and introduce people to Jesus for eternity.

### **Plan now for the Thirteenth Sabbath Offering – June 27**

The first "13th Sabbath Offering Project was introduced in 1912 to establish a mission in India. With approximately four hundred 13th Sabbaths since that first project, this offering has allowed the church to build schools, dormitories, hospitals, clinics, churches, mission-launches, lamb-shelters, printing presses and universities around the world. Often there is more than one project for an offering so there have been over a thousand projects. Because tithe money is not allowed to be used for buildings, the 13th Sabbath offering has usually been for construction-type projects.

This quarter's offering will benefit the Trans-European Division in three ways: open a center of influence in Norway, establish a church in Serbia and construct a church and center of influence in Cyprus (refer to the map on the back of the Adult Quarterly).

You can give a Thirteenth Sabbath Offering any time throughout the quarter by marking your tithe envelope.

### **Oregon Conference Information for Happy Rock!!**

Gladstone Camp Meeting 2020 is going virtual! The COVID-19 pandemic has raised all kinds of questions about when large groups will be able to meet, or even whether people will be ready for that. In spite of the uncertainty, the spiritual food and comradery, the tradition of camp

meeting is still important. So while we won't be meeting in person at Gladstone, we're already planning an interactive online experience that will encourage and connect us. What does *Virtual* mean?
