

Welcome to Eastgate SDA Church!

A message from Pastor Eric Saylor

The world's pretty crazy right now. You've probably noticed.

Covid, shutdowns, limited contact with others, racial tensions, protests, riots... everything and everybody seems to be on edge.

In the midst of this chaos how should we as followers of Jesus live? What principles should guide our lives in the midst of turmoil?

This Sabbath we continue our series on Psalm 34 and will be studying verses 11-14 in a teaching entitled "A God-honoring Life."

I also want to update you on our church reopening process. This past Tuesday our church board voted to reopen our worship services with outdoor church beginning on June 20! In order to do this the government and health authorities have specific guidelines that we will be following. We will need to maintain six feet between home units, we will need to wear masks, and we will need to avoid physical contact.

I know it's frustrating to gather and not be able to experience the interaction, handshakes, and hugs that we all enjoy but in this situation we don't have a choice. We are called by scripture (Romans 13) to obey the governing authorities, so we will. Thank you for taking this seriously.

We will have disposable masks available for anyone who doesn't have their own.

Early next week I'll send you an email with a more detailed description of how worship will look next Sabbath.

I believe that this stage will be temporary and we will continue to move toward a more normal form of fellowship. Thank you for your patience and understanding!

~Pastor Eric

Worship Service at Eastgate on June 20, 2020

This past Tuesday our church board voted to reopen our worship services with outdoor church beginning on June 20! We will have disposable masks available for anyone who doesn't have their own.

Also, please plan to bring your own lawn/camp chairs. This will reduce the amount of hard surface disinfecting that will be required of our custodian between our weekly services.

It is the goal of the office to share more details regarding safety protocols we will be implementing by next Tuesday, June 16.

Remember, if you have a compromised immune system, we would ask that you use good safety practices and protect yourself as much as possible

13~Local Church Budget

20~Local Church Budget

27~UCC Advance

We thank you for supporting your local church budget in addition to the world church?

Financial Report

			<u>GOAL</u>
Monthly Average to date in: June		\$ 7,173.91	\$10,814.00
Student Aid to date	received	\$ 9,812.49	\$13,200.00
Maintenance Budget for 2020	received	\$ 999.27	\$14,000.00

Praise the Lord for members who can and do financially support the local mission of this church!

Offering Appeal for this Sabbath, June 13 - This Sabbath our offering goes to support the Local Church Budget *(originally shared on May 30 of this year)*

Dear church family,

What an odd time we've been living in over the past few months.

In the midst of this there are some good things still happening. We, as a church, are still the church. We are still worshipping, we are still serving, we are still praying, we are still evangelizing.

Over the past month and a half we have intentionally reached out to our community through the Hope Awakens series. Not because we just needed something more to do, but because Christ commands us to and because we love those who need Jesus.

But we're facing a challenge. Maybe because life is different, maybe because some jobs are impacted, maybe because we're not gathering on Sabbath morning, the financial status of the

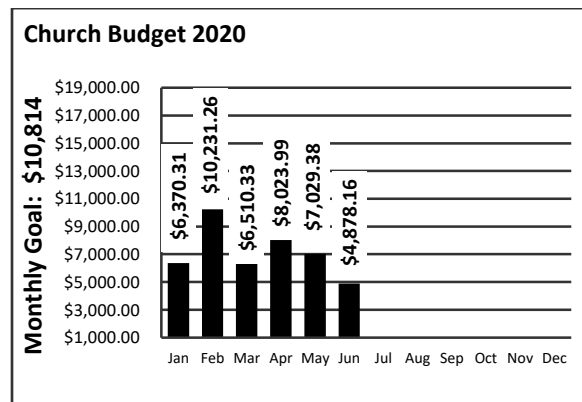

Eastgate church is looking weaker. Over the years you have been faithful, and I thank you for that. But now we need to pull together. In order to continue to share the gospel we, as a church family, need to prayerfully consider how we each can support the Great Commission that Christ has given us. Sharing the gospel requires resources, and resources require funding. We as a church this past January voted a budget that covers the essential ministries and services that we as a church value. Our monthly goal is \$10,814. So far this year our average has been \$7,173.91. In addition to this we, as a group, committed to supporting students attending our Adventist schools and we voted to raise funds for needed repairs on God's building.

Now, we as your church leadership are doing everything we can to pinch every penny. We've turned off thermostats, keep lights off, open windows instead of activating AC, all so we can continue to reach the lost. But this only goes so far.

We, as a church, are a family and families pull together. I invite you to consider how you might support the mission of this family to Make and Grow Disciples for Jesus.

~Pastor Eric

Plan now for the Thirteenth Sabbath Offering – June 27

The first "13th Sabbath Offering Project was introduced in 1912 to establish a mission in India. With approximately four hundred 13th Sabbaths since that first project, this offering has allowed the church to build schools, dormitories, hospitals, clinics, churches, mission-launches, lamb-shelters, printing presses and universities around the world. Often there is more than one project for an offering so there have been over a thousand projects. Because tithe money is not allowed

to be used for buildings, the 13th Sabbath offering has usually been for construction-type projects.

This quarter's offering will benefit the Trans-European Division in three ways: open a center of influence in Norway, establish a church in Serbia and construct a church and center of influence in Cyprus (refer to the map on the back of the Adult Quarterly).

You can give a Thirteenth Sabbath Offering any time throughout the quarter by marking your tithe envelope.

Virtual Camp Meeting Coming this Summer! Oregon Conference Information for Happy Rock!!

Gladstone Camp Meeting 2020 is going virtual! The COVID-19 pandemic has raised all kinds of questions about when large groups will be able to meet, or even whether people will be ready for that. In spite of the uncertainty, the spiritual food and comradery, the tradition of camp meeting is still important. So while we won't be meeting in person at Gladstone, we're already planning an interactive online experience that will encourage and connect us. What does *Virtual* mean? Programming will be accessible from your desktop, your tablet, or your cell phone. If groups are able to gather by then, churches can even host viewing parties! It all is still happening in July, with programming for all ages, including José Rojas as our featured speaker! We hope you'll plan to join us for a new way of doing camp meeting.
