

Welcome to Eastgate SDA Church!

A message from Pastor Eric Saylor

I like to eat grass.

Really? Yes! But not just any old grass.

When I was a kid I discovered something. In the springtime, when the days are warming, the ground is moist, birds are singing, there are areas where the grass grows long, thick and wild.

This grass isn't the highly manicured plants that cover our lawns, no. The best grass is found at the edges of forests and clearings in the woods.

When you find this grass it has thick stems, broad leaves, and solid roots. God designed this grass so that it grows like a series of straws inserted into each other. Because of this you can separate the stem into different sections by sliding them apart and then nibble on the tender inner part that was formerly hidden from view.

It's a refreshing treat on a spring day.

Daniel chapter 4 tells a story about someone else who ate grass. His name? Nebuchadnezzar.

Join us tomorrow in person or on [Facebook Live](#), and later on [YouTube](#) and our [Website](#) as we explore what this grazing king can tell us about the God we serve.

~Pastor Eric

Things to Remember Regarding Worship Service at Eastgate on July 25, 2020 at 11:30am

If you plan to attend our service, please remember the following requests:

- Please wear a mask. If you do not have one, one will be provided at the church.
- Please remember social distancing. Individually and as family units.
- Please bring a lawn chair from home to use for the service. If you cannot bring one, a metal folding chair will be available for your use. When you are done using it, please return it to the fellowship room but please DO NOT return it to the rack. The rack will be for sanitized chairs only. Those that have been used will need to be sanitized before being returned to the rack. The Custodian will take care of this. Thank you.
- Please remember that due to social distancing, we ask that only two individuals use the restroom facilities at a time.
- And, as in the rest of our lives we are going to continue social distancing so please keep your children with you. Thank you!

Please consider applying for Student Financial Aid. Applications Forms are available on the church website or in the lobby of the church.

Report From Facilities Committee

In January the church had a business meeting where a budget for the current year was proposed and voted on by the members in attendance that evening. A Church Budget was voted on and approved. In addition to the Church Budget, a proposal for Maintenance items here at the church for the 2020 calendar year was presented. Based on the recommendations at the time those in attendance approved a goal of raising \$14,000 to complete several projects throughout the year. These projects have included:

- A Pump House to protect the irrigation pump and reduce maintenance time required.
- A replacement door for the Lawn Mower Storage area
- A replacement door for the Garage.
- A repair to the large garage roll-up door
- Improvements and up-grades to the exterior lighting of the building and parking lot to improve safety and energy efficiency. { This one is still in process; we hope to be completed with this one by the end of September. }

Of this \$14,000 goal we have received contributions as indicated above. If you can help with this process, aside from our regular church budget items, your contributions will be used to maintain a safe and secure facility for use by our church family. Thank you!

How Can I continue to give my offerings during this unique time?

Q: What methods are available for giving offerings?

A: 1) You can drop an offering in the offering bag that will be available at church on Sabbath.

A: 2) Online giving is always available no matter where you are. You can go to the church website; www.eastgatesda.org, select Online Giving and it will automatically take you to Adventistgiving.org and specifically for Walla Walla Eastgate Adventist Church. Here you will find a "tithe envelop" which will allow you to designate a portion to all aspects of church

support; *Tithe, Local Church Budget Items, Conference/Union Offerings or World Church.* There you will be asked to set up an account. You can determine your method of payment and make your contribution.

A: 3) You can mail a check to the church office.

A: 4) You can drop by the church office and leave your donations.

No matter what method you choose, as a body of Christ, we will continue to appreciate your financial support for all of the ministries of the local, conference, union, division and world church. Thank you for your support.

Hello Everyone

We are getting closer and closer to the start of another school year, a little less than a month away. Below you will find some information that you may find useful

Will there be a used uniform sale this year? Yes, Aug 10-13 from 10-4pm. This will last all week as long as supplies last. We will be limiting the number of people in the clothes area at a time, so please be patient and be prepared to wait.

Does WWVA still plan to have face to face classes this fall? Yes, our plan along with Rogers has been approved by both the health department and UCC. It is currently under review by the board but should be published soon. Some of the highlights include wearing masks, social distancing and having class outside. The details will be published once all parties have signed off on it.

Alumni Weekend has been postponed, however, we will continue with the golf tournament on Oct. 18. Attached you will find a flyer for those that would like to play. If you know anyone that would be interested in being a company or individual sponsor, please let me know.

Over the last month a couple volunteers have put together a nonprofit and taken over a thrift store in Milton Freewater. This Thrift Store will be called "Better Together". The purpose of the Thrift Store will be to employ student workers and to help raise money for student aid. The address is 918 S. Main St., Milton Freewater. They will be taking donations starting Tuesday. The hours of operation will be 10-6. This is not to take away from SonBridge but to be extra help and service the needs in Milton Freewater. The way it came about it is a blessing from God.

Here are some dates to keep in mind for the next month:

- Aug. 10-13 - Used uniform sale
- Aug. 22- Prayer walk
- Aug. 24 - First Day of School
- Aug. 24- Handshake will take place during the first day of school (no handshaking)
- Sept. 7 - No School (Labor Day)

Will You Pray with the UCC Prayer Team!

Now is the time to Pray for our schools as they hope to reopen. Let us pray for our churches to have wisdom as they determine how to minister to all members. Let us also pray 2 Chronicles 7:14 – If my people who are called by my name will humble themselves and pray and seek my face and turn from their wicked ways, then I will hear from Heaven and will forgive their sins and heal their land. As you reread that verse, note that it is saying that "God's People are to 1) humble themselves, 2) pray, 3) seek forgiveness and 4) turn from their wicked ways. This is us! *This is the antidote for our current crisis. God has the answer and God can help communities open safely.*

The UCC prayer ministry is active and ready to pray for your needs as they come into our website. When you need someone to stand with you in prayer, this team will pray for you that day. You may submit your request through the following form, add your phone number and someone will contact you by phone. www.uccsda.org/#prayer

Kevin McGill Writes: "I Still Haven't Found What I'm Looking For"

Here is an excerpt from an article Pastor Kevin McGill wrote for the Gleaner.

"Recently I went to a lecture in Seattle about how the Northwest is spiritual but not religious. One of the presenters said people in the Northwest are haunted by a longing they don't know how to identify. They see a sunrise on Mount Rainier or a humpback breach in the Pacific, and they are in awe, they feel a sense of worship... but they don't know who to thank." [Read the story here.](#)
