

## *Welcome to Eastgate SDA Church!*

### *A message from Pastor Eric Sayler*

Scripture has had a huge impact on our society. This impact is larger than most people recognize.

Turns of phrase that are a part of everyday life go unnoticed by many, here are a few: Blind leading the blind (Mt 15), skin of your teeth (Job 19:20), drop in the bucket (Is 40:15), fly in the ointment (Ecclesiastes 10:1), skin and bones (Job 19:19, 20), and a wolf in sheep's clothing (Mt 7:15) to name just a few.

One phrase that is often used is "Writing on the Wall." This phrase comes from Daniel chapter five, which we will be studying this Sabbath. It is used to describe something as plain, obvious, clear, unmistakable, and unambiguous.

The problem with this usage, however, was that in Daniel's story the *Writing on the Wall* was anything but plain. Its meaning was confusing, concerning, and hidden.

Join us this Sabbath in person or [online](#) as we explore this story and see what God might be saying through it.

See you Sabbath!

~Pastor Eric

**This Weekend:** *11:30am August 8, Pastor Eric Sayler continues the Series on the Book of Daniel. Daniel Chapter ~ 5:5, "Writing on the Wall"*

**Join together in the church's backyard. Video to be posted on the internet options sometime Sabbath late afternoon or Sunday.**

### **Things to Remember Regarding Worship Service at Eastgate on August 8, 2020 at 11:30am**

If you plan to attend our service, please remember the following requests:

- Please wear a mask. If you do not have one, one will be provided at the church.
- Please remember social distancing. Individually and as family units.
- Please bring a lawn chair from home to use for the service. If you cannot bring one, a metal folding chair will be available for your use. When you are done using it, please return it to the fellowship room but please DO NOT return it to the rack. The rack will be for sanitized chairs only. Those that have been used will need to be sanitized before being returned to the rack. The Custodian will take care of this. Thank you.
- Please remember that due to social distancing, we ask that only two individuals use the restroom facilities at a time.
- And, as in the rest of our lives we are going to continue social distancing so please keep your children with you. Thank you!

### **Report From Facilities Committee**

In January the church had a business meeting where a budget for the current year was proposed and voted on by the members in attendance that evening. A Church Budget was voted on and approved. In addition to the Church Budget, a proposal for Maintenance items here at the church for the 2020 calendar year was presented. Based on the recommendations at the time those in attendance approved a goal of raising \$14,000 to complete several projects throughout the year. These projects have included:

- A Pump House to protect the irrigation pump and reduce maintenance time required.
- A replacement door for the Lawn Mower Storage area {due to vandalism & break-in}
- A replacement door for the Garage. {due to vandalism & break-in}
- A repair to the large garage roll-up door
- Improvements and up-grades to the exterior lighting of the building and parking lot to improve safety and energy efficiency. {This one is still in process; we hope to be completed with this one by the end of September.}

Of this \$14,000 goal we have received contributions as indicated above. If you can help with this process, aside from our regular church budget items, your contributions will be used to maintain a safe and secure facility for use by our church family. Thank you!

### **How Can I continue to give my offerings during this unique time?**

*Q: What methods are available for giving offerings?*

A: 1) You can drop an offering in the offering bag that will be available at church on Sabbath.

A: 2) Online giving is always available no matter where you are. You can go to the church website; [www.eastgatesda.org](http://www.eastgatesda.org), select Online Giving and it will automatically take you to [Adventistgiving.org](http://Adventistgiving.org) and specifically for Walla Walla Eastgate Adventist Church. You can determine your method of payment and make your contribution.

A: 3) You can mail a check to the church office.

### **Offering Appeal for August 8, 2020 ~ World Budget**

A portion of today’s offering directly helps Oakwood/Andrews/Loma Linda Universities.

***Find your place – faith, friends, future.*** Serving more than 9,500 students combined, Andrews, Loma Linda, and Oakwood Universities are specially tasked with preparing future church leaders for the mission fields of healthcare and pastoral work.

You can tangibly help a student like Vanessa, who chose to attend Loma Linda University because of its holistic approach to health. To her, health went beyond physical healing. It included the social, emotional, intellectual, environmental, and spiritual health of her patients.

Or you can help a student like Christian, who was raised Roman Catholic in Ecuador and decided to leave a career in technology to become a pastor and attend the Seminary at Andrews University. His friends, family, sponsors, and mentors at Andrews helped him “rekindle the spark that ignites a commitment toward a true revolution of thought and action.” And he now wants to “wholeheartedly change this world with Christ and for Christ!”

Please give generously to help make a difference for students like Vanessa and Christian. Your donations will be helping to develop the future leaders of our churches and communities.

### **Unite 4 Kids – UCC Day of Fasting and Prayer for our kids and those who serve them**

Unite 4 Kids – an Upper Columbia Conference day of fasting and prayer for our kids and those who serve them – is a day set aside to pray for our teachers, our kids, our schools, and our Adventurer and Pathfinder clubs. Now, like never before, we need to pray that our schools will be allowed to open and that they will run safely. We need to pray for our teachers that God will give them courage, vision, and energy for the school year ahead. We need to pray for our kids,

that they will know and share Jesus, that they will be able to foster face to face relationships, and that they can learn in environments free from fear. We need to pray for our clubs, that they can open, operate safely, and point not only our kids, but hundreds of community kids as well, to a loving, risen, and returning Savior.

### **Milton-Stateline Adventist School Letter**

Dear MSAS families,

The question of paying for private education if your child can't attend school in person has been on the minds of many parents lately. Milton-Stateline Adventist School understands that choosing to send your child to school requires financial sacrifice on your part. During these tough times, you may be questioning if continuing to pay tuition is the best use of your money.

Here are a few of the bonuses that MSAS can offer you with distance learning.

Interaction with teachers:

Daily lessons will be planned and taught by teachers. Any additional assignments are designed for your child to complete on their own, with little to no assistance from the parent or guardian. In addition to class Zoom meetings, our teachers are available to assist your child one-on-one via Zoom or phone calls. You can also schedule an appointment to have your child meet with their teacher face-to-face.

Interaction with classmates:

Social interaction is an important part of learning and while in person contact is best your child will get to see and interact with their classmates via Zoom and Google Meet.

Advances in technology:

Recent updates to Jupiter Ed (our online grading platform) allow grades to post straight from Google Classroom, making the site more user friendly for students and their families. Zoom and Google Meet will also be accessible through Jupiter Ed, giving another layer of internet protection.

Transition back to the classroom:

Our distance learning program will transition to an onsite learning program in a seamless fashion, as soon as that option is available.

Supplies available:

All students Pre-8 will be supplied with a computer as needed, in addition to all textbooks and materials needed to succeed this school year.

Financial support:

We know that COVID-19 has impacted a lot of families financially. Financial aid is available for anyone who needs it! Talk to the school about how to apply.

The end of last school year was difficult. MSAS was thrown into distance learning with no warning. We made it through, but not without a few bumps and adjustments along the way. When school starts again in a few weeks, we are prepared for the challenge! As I mentioned before, it will be a more robust learning experience. We are here to provide your child with a great education.

If you have any questions or concerns about this school year, please contact me. MSAS cares a lot about each of our students and their families. We want to make sure that we are meeting your needs!

As you consider your options for education this year, I ask that you prayerfully consider continuing to support MSAS. We believe in Adventist education and want to see it continue to thrive.

Sincerely, Jeanne Goodhew

### **Walla Walla Valley Academy News (second time posting)**

Hello Everyone

We are getting closer and closer to the start of another school year, a little less than a month away. Below you will find some information that you may find useful

Will there be a used uniform sale this year? Yes, Aug 10-13 from 10-4pm. This will last all week as long as supplies last. We will be limiting the number of people in the clothes area at a time, so please be patient and be prepared to wait.

Does WWVA still plan to have face to face classes this fall? Yes, our plan along with Rogers has been approved by both the health department and UCC. It is currently under review by the board but should be published soon. Some of the highlights include wearing masks, social distancing and having class outside. The details will be published once all parties have signed off on it.

Alumni Weekend has been postponed, however, we will continue with the golf tournament on Oct. 18. Attached you will find a flyer for those that would like to play. If you know anyone that would be interested in being a company or individual sponsor, please let me know.

Over the last month a couple volunteers have put together a nonprofit and taken over a thrift store in Milton Freewater. This Thrift Store will be called "Better Together". The purpose of the Thrift Store will be to employ student workers and to help raise money for student aid. The address is 918 S. Main St., Milton Freewater. They will be taking donations starting Tuesday. The hours of operation will be 10-6. This is not to take away from SonBridge but to be extra help and service the needs in Milton Freewater. The way it came about it is a blessing from God.

Here are some dates to keep in mind for the next month:

- Aug. 10-13 - Used uniform sale
- Aug. 22- Prayer walk
- Aug. 24 - First Day of School
- Aug. 24- Handshake will take place during the first day of school (no handshaking)
- Sept. 7 - No School (Labor Day)

### **Milton-Stateline Adventist School is open for registration for the 2020-2021 school year.**

**Milton-Stateline Adventist School** would like to thank all those who sponsored our students in this year's "At Home Walk-a-thon". We have not yet reached our goal of \$20,000. These much needed funds help families with tuition costs by going to our financial aid fund and we are needing to upgrade some of our light fixtures. We now have \$11,777 and need \$8223 more. It is not too late to donate! You may go to our website [miltonstateline.org](http://miltonstateline.org) and click on the donate tab at the top of the page. Thank you.

As you reread that verse, note that it is saying that "God's People are to 1) humble themselves, 2) pray, 3) seek forgiveness and 4) turn from their wicked ways. This is us! *This is the antidote for our current crisis. God has the answer and God can help communities open safely.*
