

Welcome to Eastgate SDA Church!

A message from Intern Pastor Rachelle Santee-Martling

The word friend has many different levels. We have Facebook friends, family friends, and best friends. Proverbs 18:24 says, “A man *who has* friends must himself be friendly, But there is a friend *who* sticks closer than a brother.” NKJV

Who is this friend that sticks closer than a brother? When I read this passage, I believe God is the friend that sticks closer than a brother. We might have best friends that are willing to make sacrifices for us, but they at times might stab us in the back. Jesus won’t stab us in the back, and He sacrificed everything for the opportunity to be our friend for eternity.

We can never pay back what God has done for us. However, we can have a close relationship with God.

This Sabbath we will look at Daniel chapter 6 and discover how we can be a friend of God. I look forward to sharing time with you under our trees in the back yard of the Eastgate church.

~Pastor Rachelle

Things to Remember Regarding Worship Service at Eastgate, August 15, 2020 at 11:30am

If you plan to attend our service, please remember the following requests:

- Please wear a mask. If you do not have one, one will be provided at the church.
- Please remember social distancing. Individually and as family units.
- Please bring a lawn chair from home to use for the service. If you cannot bring one, a metal folding chair will be available for your use. When you are done using it, please return it to the fellowship room but please DO NOT return it to the rack. The rack will be for sanitized chairs only. Those that have been used will need to be sanitized before being returned to the rack. The Custodian will take care of this. Thank you.
- Please remember that due to social distancing, we ask that only two individuals use the restroom facilities at a time.
- And, as in the rest of our lives we are going to continue social distancing so please keep your children with you. Thank you!

Our Giving to Date this Current Year

Local Church Budget – offering August 15

Is it really too much? After her baptism, Luzia made a plan to return her offering as a percentage of her income. She did not want to “forget” to be grateful to God. While living in Brazil, Luzia got a well-paying job, and writing checks for the tithes and offerings became painful. She always understood that tithes don’t belong to us and we return them to God. But she wasn’t so sure about offerings anymore.

Luzia prayed and finally understood that offerings are a way to show God our gratitude for the blessings received, and the only way to reduce the amount was if God reduced her blessings. Looking back, she can see that after returning tithe and giving offerings she always had enough to pay her bills, buy all she needed, and even make trips around the world.

She says the best thing happened when she and her husband moved to the United States. They sold their condo in Brazil and with that money bought a house for cash in the States. Daily she thanks God for this blessing and miracle, because by her calculations, it should never have been possible.

God doesn’t need our money. He only wants us to learn to trust Him and His plans for our life. Luzia encourages you to try and see God’s generosity!

Report From Facilities Committee

In January the church had a business meeting where a budget for the current year was proposed and voted on by the members in attendance that evening. A Church Budget was voted on and approved. In addition to the Church Budget, a proposal for Maintenance items here at the church for the 2020 calendar year was presented. Based on the recommendations at the time those in attendance approved a goal of raising \$14,000 to complete several projects throughout the year. This fund was designated as the Maintenance Reserve Fund.

These projects have included:

- A Pump House to protect the irrigation pump and reduce maintenance time required.
- A replacement door for the Lawn Mower Storage area {due to vandalism & break-in}
- A replacement door for the Garage. {due to vandalism & break-in}
- A repair to the large garage roll-up door
- Improvements and up-grades to the exterior lighting of the building and parking lot to improve safety and energy efficiency. {This one is still in process; we hope to be completed with this one by the end of September.}

Of this \$14,000 goal we have received contributions as indicated above. If you can help with this process, aside from our regular church budget items, your contributions will be used to maintain a safe and secure facility for use by our church family. Thank you!

*** PLEASE NOTE: Maintenance Reserve Fund versus Building maintenance fund**

If you would like contribute and support the \$14,000 worth of special project improvements during 2020, please make sure the offering designation is *Maintenance Reserve*.

The Building maintenance fund is what we use for routine repair versus special projects. Thank you for your support!

Unite 4 Kids – UCC Day of Fasting and Prayer for our kids and those who serve them

Unite 4 Kids – an Upper Columbia Conference day of fasting and prayer for our kids and those who serve them – is a day set aside to pray for our teachers, our kids, our schools, and our Adventurer and Pathfinder clubs. Now, like never before, we need to pray that our schools will be allowed to open and that they will run safely. We need to pray for our teachers that God will give them courage, vision, and energy for the school year ahead. We need to pray for our kids, that they will know and share Jesus, that they will be able to foster face to face relationships, and that they can learn in environments free from fear. We need to pray for our clubs, that they can open, operate safely, and point not only our kids, but hundreds of community kids as well, to a loving, risen, and returning Savior.

Milton-Stateline Adventist School Letter (secod posting)

Dear MSAS families,

The question of paying for private education if your child can't attend school in person has been on the minds of many parents lately. Milton-Stateline Adventist School understands that choosing to send your child to school requires financial sacrifice on your part. During these tough times, you may be questioning if continuing to pay tuition is the best use of your money.

Here are a few of the bonuses that MSAS can offer you with distance learning.

Interaction with teachers:

Daily lessons will be planned and taught by teachers. Any additional assignments are designed for your child to complete on their own, with little to no assistance from the parent or guardian. In addition to class Zoom meetings, our teachers are available to assist your child one-on-one via Zoom or phone calls. You can also schedule an appointment to have your child meet with their teacher face-to-face.

Interaction with classmates:

Social interaction is an important part of learning and while in person contact is best your child will get to see and interact with their classmates via Zoom and Google Meet.

Advances in technology:

Recent updates to Jupiter Ed (our online grading platform) allow grades to post straight from Google Classroom, making the site more user friendly for students and their families. Zoom and Google Meet will also be accessible through Jupiter Ed, giving another layer of internet protection.

Transition back to the classroom:

Our distance learning program will transition to an onsite learning program in a seamless fashion, as soon as that option is available.

Supplies available:

All students Pre-8 will be supplied with a computer as needed, in addition to all textbooks and materials needed to succeed this school year.

Financial support:

We know that COVID-19 has impacted a lot of families financially. Financial aid is available for anyone who needs it! Talk to the school about how to apply.

The end of last school year was difficult. MSAS was thrown into distance learning with no warning. We made it through, but not without a few bumps and adjustments along the way. When school starts again in a few weeks, we are prepared for the challenge! As I mentioned before, it will be a more robust learning experience. We are here to provide your child with a great education.

If you have any questions or concerns about this school year, please contact me. MSAS cares a lot about each of our students and their families. We want to make sure that we are meeting your needs!

As you consider your options for education this year, I ask that you prayerfully consider continuing to support MSAS. We believe in Adventist education and want to see it continue to thrive.

Sincerely, ~ Jeanne Goodhew

Save the Date – UCC Fall Women’s Retreat

This year the Women's Fall Retreat is planned for Sabbath, October 24, 2020. Keynote speaker Kara Johnsson’s topic is “The Table.” The table is the place of mutuality and respect for our sisters and brothers; the table is the place where we welcome the outsider... and Jesus is at the table! Guest vocalist Gretal Cromwell will again join us. The main special feature spotlights “God’s Gift to Optimize Your Immunity” by dietician Jeanne Ekvall and her delightful daughters. Plan now to attend (virtually) and watch for registration to open by mid-August.

Will You Pray with the UCC Prayer Team!

Now is the time to Pray for our schools as they hope to reopen. Let us pray for our churches to have wisdom as they determine how to minister to all members. Let us also pray 2 Chronicles 7:14 – If my people who are called by my name will humble themselves and pray and seek my face and turn from their wicked ways, then I will hear from Heaven and will forgive their sins and heal their land. As you reread that verse, note that it is saying that "God's People are to 1) humble themselves, 2) pray, 3) seek forgiveness and 4) turn from their wicked ways. This is us! *This is the antidote for our current crisis. God has the answer and God can help communities open safely.*

The UCC prayer ministry is active and ready to pray for your needs as they come into our website. When you need someone to stand with you in prayer, this team will pray for you that day. You may submit your request through the following form, add your phone number and someone will contact you by phone. www.uccsda.org/#prayer
