

## ***Welcome to Eastgate SDA Church!***

### ***A message from Pastor Eric Saylor***

Joshua held the hilt of his sword, keeping it close to his side, guarding it so it wouldn't knock against a tree or bump a rock.

Peering through the darkness he carefully made his way to the edge of the forest.

Just ahead of him arose the dark edifice of Jericho. The walls were intimidating, larger than any other human-built structure Israel's leader had ever seen.

He studied the solid walls, his eyes searching for any weaknesses, knowing intuitively there were none.

Out of the corner of his eye Joshua saw something odd. A faint glow just a few yards away grew and grew in intensity until Joshua saw a form outlined, a human form.

That night Joshua met a warrior. Not an Israelite nor a fighter from Jericho, but a heavenly warrior, a divine warrior.

This week we will look at a passage from Daniel where the author meets that warrior again. It's a passage that will pull back the veil, letting us see behind the scenes into a great conflict that is all around us.

I hope you can join us!

Depending on the smoke, which is supposed to subside, we will be meeting outside under the maple trees. You're welcome to worship there with the church family!

If you aren't able to come in person you can watch the live stream on our church's [Facebook](#) Page. Just the "videos" tab and you should find it.

~Pastor Eric

### **Offering Appeal for September 19, 2020 – Local Church Budget**

*Train up a child.* Parents often feel guilty for not doing enough for their children. In fact, at times, some of us parents go overboard and indulge our children. Desires are satisfied, toys pile up in the guest bedroom, high-priced electronics are purchased. Soon after some of these articles are acquired, interest in them subsides and they are relegated to obscurity. Is this story familiar?

The Bible teaches us that we should “train up a child in the way he should go, and when he is old he will not depart from it” (Proverbs 22:6). Teaching children about tithes and offerings is best in their earlier years. They can be taught to count out the tithe from monies they earned. They can also participate in donating to worthy causes.

The key in this training is the selection of proper timing, attitude, and benevolence. The child should not feel compelled. If properly explained, most children desire to participate in a project that helps other people.

Recently, a local pastor learned with delight that a young boy was returning his tithe faithfully because “that’s what God desired.”

Let us teach our children to be faithful stewards and return to God what is rightfully His. This training will reap extraordinary dividends in the future.

### **Women's Ministry ~ the Sisters Corner**

*Words specifically for the hearts of women*

NEWS FLASH!!!! Have you noticed, life is uncertain and unpredictable! Do I have enough money, what can I leave unpaid with the least long-term impact? Does anyone remember or care I exist anymore? When will school start and will it stay in session? What, I'm not even supposed to breathe the air? How am I supposed to teach, work, and maintain a happy/sane home? How much longer is this whole COVID thing going to last, and is it all a hoax? How am I supposed to stay mentally positive when the news and media are dripping with fear, hatred, and cynicism? I'm sure you could add to the list!

In the center of LIFE is a big "IF". Nothing in life is certain. The only thing certain is (1) The truth of God's Word; (2) The consistency of God's love for you; (3) The dependability of God's goodness; and (4) The reliability of God's promises.

God gives us the future in 24-hour bites, make this 24-hours count and trust God with the future. Ask God for His plans in your unique situation. None of this is catching Him by surprise. He is certain and predictable regardless of how uncertain and unpredictable life seems right now.

Trust the Lord with all your heart, and don't depend on your own understanding. Remember the Lord in all you do and He will give you success. (Proverbs 3: 5-6 NCV)

Adapted from *Faith for an Uncertain Future*, by Rick Warren

## Upper Columbia Conference of SDA News

### Prayers and Preparation

Much of Upper Columbia Conference is under a thick layer of smoke this week. We ask that you pray for those directly affected by these fires and volunteer if you see ways to help others. Please see our other announcement regarding a special offering. It is also a good opportunity to prepare our neighbors and ourselves for a natural disaster.

[Here is a handy checklist that might help.](#)

**Forged is a weekend event for men 18 years and older sponsored by Summit Northwest Ministries**, created by men who don't normally go to retreats. We feel the Christian life was not meant to be dull or boring. Instead, it is an adventure requiring bravery, courage, and grit. It is filled with battles to be fought and challenges to be overcome. Most of us try and push ahead on our own. And quite frankly, most of us aren't very good at it. However, the thought of sitting in meetings all day may not be what we're looking for. Forged is about connecting with a group of guys, participating in some weekend shenanigans, supporting and challenging each other to reach our full potential. Whether you are a guy who likes to blow things up, or one that would rather hang out and talk about those who do, this weekend is for you. We want to be better bachelors, boyfriends, husbands, fathers, and followers of Christ, and we plan to have a good time doing it.

The cost is \$99 which includes 6 meals and 2 nights lodging. More information and registration can be found at <https://www.summitnorthwest.org/event/forged-mens-retreat/>

### **Save the Date – UCC Fall Women's Retreat**

This year the Women's Fall Retreat is planned for Sabbath, October 24, 2020. Keynote speaker Kara Johnsson's topic is "The Table." The table is the place of mutuality and respect for our sisters and brothers; the table is the place where we welcome the outsider... and Jesus is at the table! Guest vocalist Gretal Cromwell will again join us. The main special feature spotlights "God's Gift to Optimize Your Immunity" by dietician Jeanne Ekvall and her delightful daughters. Plan now to attend (virtually) and watch for registration to open by mid-August.

### **Northwest Fires — Special Offering Collections**

A special offering will be taken up on September 19 and September 26 for response to the historic and tragic northwest fires. Your financial gifts will first provide immediate relief to survivors and assist with long-term recovery efforts in Upper Columbia Conference, as well as help the needs of those in other parts of the Pacific Northwest that may have been hit even more severely. Thank you in advance for your generous gifts. The code 65608 Northwest Fires has been established for reporting these offerings and has been added to [AdventistGiving online](#). Please share this news with others.
