

Welcome to Eastgate SDA Church!

A message from William “Bill” Mack, Director of AIC

Nancy, my wife, and I are some of those people who have been traditionally called “missionaries”, although the politically correct term now is an ISE. Ok, I’ll let you in on the secret, ISE means an International Service Employee. We work for the church and are based in one Division, but work in a different Division. Nancy grew up in India where her parents were life-long missionaries and I was able to live & teach in Zambia, Africa for a year when I was a student missionary.

We have lived in India since 2013 and would love to share with you some exciting stories about the highs and lows of serving the Lord. Don’t worry, we really aren’t that weird!

Have you slept on the floor of an all bamboo house? Have you had to get all of your water from a stream that was way down at the bottom of the mountain? Have you had to climb to the top of the tallest trees just to make a phone call? We will introduce you to a young man who has.

What happens when you Go MAD? We can give you the answer and will invite you to Go MAD too! We are looking forward to worshipping with you this Sabbath.

William Mack and Nancy Mattison-Mack

This Weekend: October 17, Bill & Nancy Mattison-Mack bring us stories of God’s leading in the fields where Jesus walks. See more information about Bill & Nancy on page 9

Eastgate Church News & Events

October 17, 2020 - Local Church Budget

The golden rule. Luke 6:31 introduces us to the gold standard of behavior toward others. It states that whatever you would like from people, you should do the same for them first. This is very sound advice. Yet, Matthew asks the very poignant question: “if you love those who love you, what reward have you?” (Matthew 5:46). In other words, if we only offer a transactional love and desire something in return, that love is meaningless.

In many instances in the Gospels, Jesus teaches His followers to love, give, and help unconditionally.

As a Seventh-day Adventist nonprofit institution, we are called to look for opportunities of service to our local communities. A parishioner once related a story to his pastor about a church. This church became so vital to the lifeblood of the local community that, if it were to be relocated without a warning, the local community would greatly suffer.

How about Eastgate Seventh-day Adventist Church? Have we become such indispensable extensions of our local communities? Are we serving them unconditionally, without any ulterior motives? The golden rule states that we are to love as we want to be loved. Jesus goes one step further when He asks us to love unconditionally.

Can you support our church not only in tithes but in local expense? Can you help with one or more of the missions listed below? Thank you to those who can and blessings on those who cannot.

It's that time of year again - Operation Christmas Child season is upon us!

We want boys and girls around the world to know that God loves them and has not forgotten them during this time of fear and uncertainty. Children need great joy now more than ever. Most of all, they need the hope found only in the Gospel of Jesus Christ. Will you partner with us to share that glorious hope with boys and girls around the world - many of whom have never heard the Name of Jesus? We're looking forward to a great Operation Christmas Child season as we modify our collection and processing in light of COVID-19 in keeping with safety standards and state guidelines. Please consider picking up a cardboard box from the table in the foyer to fill or you can build one online for only \$25 including shipping at

<https://www.samaritanspurse.org/operation-christmas-child/buildonline/>

. If you have any questions please contact Rachel Boram at 541-425-1919. Thank you for your generosity in serving God's children around the world!

Community Service Food Baskets for - Thanksgiving

This year we are going to try a different approach to helping our local food challenged families. We are raising funds to purchase gift cards to local grocery stores where families will be able to refund the cards for specifically the kind of food they want and need.

Families will be presented a gift card based family size and financial need.

You will be given the opportunity to once again recommend names of families to receive these gifts. Contact information will be needed so please watch the lobby for these communication cards.

Donations placed in a tithe envelop and labeled Community Services – Food Drive. Thank you for supporting this ministry.

Women's Ministry ~ the Sisters Corner

Words specifically for the hearts of women

Fall is in the air and it's time to break out those hearty soup recipes! Jeremy Dixon's *Revive Café Cookbook* series depict scrumptious, tantalizing bowls of yumminess. Most the time they turn out like the picture. I must confess I read the Bible and recipes very differently. The Bible is God's instructions to me, a recipe, now that's just a guide, a list of suggestions. Below I've listed the recipe as Jeremy wrote it with my adaptations in italics. I like thick soup, I don't like cleaning appliances, and I want leftovers for my freezer and to share. Jeremy could have called this Indian Seasoned Lentil Soup, but Spiced flows better. It's not spicy hot, unless you use a hot curry powder. No matter what Jeremy named it, I call it YUMMY!

Indian Spiced Lentil Soup

Makes 8 - 1 cup servings (*16 servings – Freezes and shares well.*)

- | | |
|---|--|
| 1 large chopped onion (<i>2 onions</i>) | 1 large carrot roughly chopped
(<i>3 carrots diced</i>) |
| 2 cloves garlic chopped or crushed
(<i>1 Tablespoon pre-chopped</i>) | 12 oz can crushed tomatoes (<i>24-oz can</i>) |
| 2 tablespoons oil (<i>1 cup vegetable broth</i>) | 1 cup red lentils (<i>4 cups</i>) |
| 1 teaspoon cumin (<i>1 Tablespoon</i>) | 6 cups hot water (<i>cover lentils plus a little</i>) |
| 1 teaspoon turmeric (<i>1 Tablespoon</i>) | 1 cup cashew nuts + 1 cup cold water
(<i>2 cans coconut milk</i>) |
| 1 teaspoon mild curry powder
(<i>2 Tablespoons</i>) | 1 teaspoon salt (<i>1.5 teaspoons salt</i>) |
| 1 stalk celery roughly chopped
(<i>3 stalks diced</i>) | 4 tablespoons date puree or honey (<i>omitted</i>) |

Ensure salt is added at end, not earlier, as it will inhibit the lentils cooking properly.

1. Sauté onion, garlic and oil (*vegetable broth*) until clear.
2. Stir in spices and vegetables.
3. Add lentils, tomatoes, and water and bring to boil. Simmer for around 30 minutes or until lentils and vegetables are cooked. (*Cooked in Instant Pot for 18 minutes, water was about 1 inch above lentils, but below "max" line.*)
4. Blend with stick blender. (*Omitted because I diced celery and carrots.*)
5. Separately blended cashew nuts and cold water to make a thick cream. (*My blender is hard to clean, used two cans coconut milk instead.*) Add to the pot.
6. Add salt and date puree/honey (*omitted sweetener*) and taste.

God created an abundance of diverse food and seasoning combinations. Try some new ones, share with a friend, and enjoy a virtual meal together! Who says you have to eat alone, with just your family, or clean house to have "company"? Be adventurous and adapt the rules.

Genesis 1:29 And God said, "Look! I have given you the seed-bearing plants throughout the earth and all the fruit trees for your food."

Praying Together This Week

Thank you for praying for your local schools and churches. You will see specific schools and churches next week but please agree in prayer for God's Spirit and direction on all our small groups, our schools and churches.

This week we ask you all to remember Camp MiVoden in prayer, that God will lead and bless our summer camp. That He will bless with finances, safety, events and for a safe 2021 at camp. Pray that God will impress our people to be workers for the harvest. To be salt in our communities

Pray that we will all hold tight to God and depend on His power for all trials we are going through. Remember as you pray that God is all powerful and we need Him and His armor to fight all our battles.

"For we do not wrestle against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this age, against spiritual hosts of wickedness in the heavenly places." ~ Ephesians 6:12

Eastgate Connection to the Mission Field ~ “The Mission Family”

Many of our Eastgate church family know there is a family working in the mission fields of the Muslim world. They must use a pseudonym to remain safe. Please stop by, take a minute or two to read about their lives over the last few months. Remember their names so you can lift them daily in prayer!

Coming October 17 ~ Guest Presenters with Mission Emphasis from Adventist India Child

William “Bill” and Nancy Mattison-Mack will be here on Sabbath, October 17 to share a message of mission.

India is a diverse country filled with a wide variety of languages, cultures and ethnic groups. This amazing country boasts of jungles, rainforests, plains and mountains. India

occupies 2.4% of the world's land area and supports over 17% of the world's population. The Adventist church in India is growing rapidly! There are over one million five hundred thousand members of the Adventist church in this second most populated country in the world. Giving the children of believers a Christian education is the most effective way to sustain and nurture this growth.

For those of you who don't know what Adventist Child India is and are wanting to make a difference and become a part of it, I will tell you real quick. In 2005 with the vision and initiative of late missionary Dorothy Watts, this sponsorship program was raised with God's help to bless the poorest Adventist children from the villages of India. The poor parents would never be able to educate their children with their meager income as day laborers or farmers. As part of the worldwide Adventist family, you are able to help educate the children and secure their future and by doing so support the mission work in this large field of Southern Asia.

As of now we are helping approximately 2,000 children studying in 38 boarding schools located in 17 of the 29 states in India. Our sponsor base truly does come from around the world. The work keeps us very busy and it is never boring, but none of this would be possible if it were not for the continuing support of you the sponsors. Thank you very much.

“Thread and Bolts” custom made Masks by Lynn Wilson

Lynn has a small quilt store at her home where she does longarm quilting and she makes custom masks. So if you are looking for masks for the kids as they may soon be heading back to school (at least on a part time basis) give her a call and see what she has! She usually charges \$5 each for her standard masks. 509-526-3873.
