

Welcome to Eastgate SDA Church!

A message from Pastor Eric Saylor

Over the years some of our family's favorite stories have been the Little House on the Prairie series.

In the book "Farmer Boy" Laura tells of her husband, Almonzo's boyhood. In it she recounts the story of when he trained two young oxen to pull a sled.

One of the keys to success when teaching a team of animals to pull something is training them to cooperate, to work together. Almonzo's father emphasized that if one ox pulls and the other doesn't he will become discouraged and stop working because he thinks that pulling doesn't make a difference.

Cooperation is important. Working together is essential. This takes unity.

This Sabbath we continue our series entitled "The Acts of the Spirit" and will explore the topic of Unity. I hope you can join in!

You are welcome to worship in person, we can have up to 82 people in the sanctuary and we have the Fellowship Hall as an overflow room with the big screen set up, or you can watch the live stream on our [Facebook Page](#).

Remember, if you worship in person we must protect each other by using masks, wearing them properly and maintaining 6' social distances at all times. We do this because we love each other.

I pray your Sabbath is restful and rejuvenating!

~Pastor Eric

October 24, 2020 ~ Upper Columbia Conference Advance

Something to give. When constructing the wilderness tabernacle, the Israelites had precious resources to donate to the building project because the Holy Spirit had moved the hearts of the Egyptians to pay them liberally as they set out on their journey into the desert. Years later after King David and the Hebrew nobles and family leaders generously contributed for the construction of the temple that Solomon would build, David acknowledged God in his prayer by saying, “Everything we have has come from You, and we give You only what You first gave us!” 1 Chronicles 29:14. We would have nothing to give either if God had not first blessed us. God has invited us to cooperate with Him in the saving of souls and if all would partner with God through tithe and offerings there would be no lack of means to accomplish the work needing to be done.

Today, the offering is designated for advancing the Gospel work in our local conference. 24% of the Upper Columbia Conference Advance budget funds evangelistic endeavors by churches throughout our Conference. By joining with other churches in this offering, we can help provide the funds needed to share the Truth throughout our region.

King David challenges each of us in 1 Chronicles 29:5, “Now then, who will follow my example and give offerings to the Lord today?”

October 31, 2020 – Walla Walla University Offering Call

The Walla Walla University campus looks a bit different than normal this fall. In addition to precautions such as wearing masks and distancing, due to COVID-19, the university is operating on a reduced-population-density model, which means that while there are hundreds of students studying on campus there are still hundreds more attending classes from afar. Generous gifts have not only made it possible for students to enroll at WWU but have also allowed us to equip classrooms for bimodal learning, to provide important safety equipment, and to conduct screenings to help interrupt the spread of illness.

More than ever before our unique campus community is of profound value to students, faculty, and staff. We’re eager to be back together in-person on our campuses as soon as it’s safe, but we don’t always know what’s next with the COVID-19 pandemic, and we need to be ready to adapt to new conditions as they arise.

Your support is so important to help the university respond to whatever logistical challenges the coming weeks and months will bring to Walla Walla University. With your help we’ll be ready and able to provide the kind of safe environment that will bless our students.

Operation Christmas Child season is upon us!

We want boys and girls around the world to know that God loves them and has not forgotten them during this time of fear and uncertainty. Children need great joy now more than ever. Most of all, they need the hope found only in the Gospel of Jesus Christ. Will you partner with us to share that glorious hope with boys and girls around the world - many of whom have never heard the Name of Jesus? We're looking forward to a great Operation Christmas Child season as we modify our collection and processing in light of COVID-19 in keeping with safety standards and state guidelines. Please consider picking up a cardboard box from the table in the foyer to fill or you can build one online for only \$25 including shipping at <https://www.samaritanspurse.org/operation-christmas-child/buildonline/>. If you have any questions please contact Rachel Boram at 541-425-1919. Thank you for your generosity in serving God's children around the world!

Community Service Food Baskets for - Thanksgiving

This year we are going to try a different approach to helping our local food challenged families. We are raising funds to purchase gift cards to local grocery stores where families will be able to refund the cards for specifically the kind of food they want and need.

Families will be presented a gift card(s) based on family size and financial need.

You will be given the opportunity to once again recommend names of families to receive these gifts. Contact information will be needed so please watch the lobby for these communication cards.

Donations placed in a tithe envelop and labeled Community Services – Food Drive. Thank you for supporting this ministry.

Women's Ministry ~ the Sisters Corner

Words specifically for the hearts of women

A couple of weeks ago I ended up in the ER, not feeling good and wanting to just get in and get out. I went through the rigamarole of answering all the Covid questions just to get in the door. While I was there, I was taken in by the warmth and kindness of all the workers. But the kindness I saw was coming from their eyes. Now that is something that has been on my mind, how do you show kindness to people when your face is covered? Wearing a mask for me has been a challenge these past few 6 months. It is not that I am upset about wearing one or that it is hard to do because for me it is pretty easy. But I like to communicate with people with my

whole face! For me, a smile says so much! The face working together tells people if they are welcomed into your presence.

Well, today it's all changed. With a mask people only see my eyes and my forehead. I am not sure I am able to express to people the kindness I want them to feel around me. So, I have been working very hard on giving out kindness with my eyes... not an easy task, and you do not want it mistaken for flirting or throwing daggers. But, I do feel it's important to let people see kindness from us and to know that we care. After all, God has extended His kindness to us daily.

Colossians 3:12 says, "Therefore, as God's chosen people, holy and dearly loved, clothe yourselves with compassion, kindness, humility, gentleness and patience."

Give it a try this week. See if people receive kindness from you through your eyes.

"Let no one ever come to you without leaving better and happier. Be the living expression of God's kindness. Kindness in your face, kindness in your eyes, kindness in your smile." Mother Teresa
