

## ***Welcome to Eastgate SDA Church!***

### ***A message from Pastor Eric Sayler***

Years ago I was hired to work at youth camp. For the previous five years I had been a camper there and had fallen in love with the place, the ministry, and the activities, but working there was obviously different.

That difference became clear as soon as the staff gathered for our first meeting. As the nearly 100 members gathered a palpable feeling of unity, cooperation, worship, and shared mission infused the space. That experience continued all summer. We were on mission and nothing distracted us from that mission. We were "All In."

This Sabbath we will explore how when the Spirit filled the early church and that they, too, were "All In."

I hope you can join in for worship!

You can participate online at our [Facebook](#) page; you don't have to have your own account to do so!

Or you can join in person. Remember that we are moving the service 30 minutes earlier to 11:00am (and Sabbath School to 9:30am).

Also, please follow the guidelines of masking and distancing. Our community is experiencing a significant acceleration in infections, hospitalizations, and even more deaths. This is serious. But masking makes a very real difference. Thank you for following these important guidelines.

May God grant you rest and grace this Sabbath!

~Pastor Eric

***Eastgate Church News & Events***

**Offering this week – Nov. 14, World Budget (Annual Sacrifice/Global Mission)**

***4% of World Budget offerings are designated to support  
Annual Sacrifice - Global Missions***

***Let's sacrifice.*** Prem received medical training and then chose to live on a small stipend in a remote town in India as a Global Mission pioneer. Before Prem arrived, there were no Adventists in the region. The nearest hospital is several hours away, so pioneer Prem uses the talents God has given him to serve the town's sick. He transformed his living room into a clinic where he lovingly teaches the locals how to adopt a wholistic lifestyle and treats their illnesses. Then he prays for the Heavenly Physician to heal and bless them.

Through Prem's compassionate words and actions, many of his former patients now come each Sabbath to the local church building.

Global Mission pioneers sacrifice much to take Jesus to the unreached cities, towns, and villages around the world and to put His method of outreach into action. The question is, "What are you willing to sacrifice to help support them?"

The November 14 Annual Sacrifice Offering is a great time to make a special gift to support the work of Global Mission pioneers. If you want to help share Jesus with unreached people, write "Annual Sacrifice Offering" on your tithe envelope.

**Operation Christmas Child season is upon us!**

We want boys and girls around the world to know that God loves them and has not forgotten them during this time of fear and uncertainty. Children need great joy now more than ever. Most of all, they need the hope found only in the Gospel of Jesus Christ. Will you partner with us to share that glorious hope with boys and girls around the world - many of whom have never heard the Name of Jesus? We're looking forward to a great Operation Christmas Child season as we modify our collection and processing in light of COVID-19 in keeping with safety standards and state guidelines. Please consider picking up a cardboard box from the table in the foyer to fill or you can build one online for only \$25 including shipping at

<https://www.samaritanspurse.org/operation-christmas-child/buildonline/>. If you have any questions please contact Rachel Boram at 541-425-1919. Thank you for your generosity in serving God's children around the world!

**Community Service "Food Baskets" for - Thanksgiving**

This year we are giving ***Gift Certificates*** instead of cans and jars of groceries. We are raising funds to purchase gift certificates to local grocery stores where families will be able to refund the certificates for specifically the kind of food they want and need. Families will be presented a gift certificates(s) based on family size and financial need.

We invite you to donate and/or recommend names of families to receive these gifts. Contact information will be needed so please watch the lobby for these communication cards.

Join on Sunday, November 22 in the Fellowship Hall to write cards of greetings that we can send along with the gift (cards) certificates to the families. Bring greeting cards to personalize and listen for announcements as to what time to gather.

Donations placed in a tithe envelop and labeled Community Services – Food Drive. Thank you for supporting this ministry.

Dear Parents; There are a number of individuals who have been looking for exciting quality materials to help you as you minister to your children during this COVID time period. We have shared materials with you from the Alaskan, Southeastern California and Oregon conferences. This week we share materials from the Oregon Conference. ## **Women's Ministry ~ the Sisters Corner**

*Words specifically for the hearts of women*

“Listen to me, O house of Jacob, and you who are left from the house of Israel. I cared for you when you were still in the womb, and I have carried you in my arms since you were born. I am your God and will take care of you until you're old and your hair is gray. I am the One who made you and will continue to carry you. I will help you and rescue you. To whom will you compare me? Who is equal to me? Is there anyone like I AM?” Isaiah 46:3-5 *Clear Word*

Who is God in our suffering? He is the God who will carry you through. He is not necessarily the God who removes challenges from your life. He is the God who makes you capable of healing from them, overcoming them, and persevering through them. He is the God who makes you greater than the challenges you face. When you don't have the strength, He has promised to be that strength.

Isn't it wonderful to know that the God who spoke the world into motion, is the one carrying you today? When you feel like you can't, just rest — trusting that He is the God who can and will do whatever is needed for you. Sometimes what we want and expect and are different things from what God is giving us. Trust in those moments that He sees further than we ever could and has only goodwill and love for you. I can vouch for this.

With love, Your sister in Christ

### **Keeping the financial health of our church in mind - Giving Plan**

*How your local church budget fits into "My Personal Giving Plan"*

Like every family, the local church family has financial obligations to meet. Some are easy to see like power and heat, but many are not so obvious: children’s magazines, Sabbath School Bible study guides, teaching supplies, staff salaries, cleaning services, church school operating expenses, property insurance, worthy student fund, and community outreach. These are but a few of the costs that must be met month after month as the local church seeks to be a light in the community. Because these expenses are constant, My Personal Giving Plan recommends that 3-5 percent of one’s income be set aside for the local church budget. This systematic giving ensures that all share both in the blessings and the responsibilities of the local congregation.

The North American Division encourages the use of the “My Personal Giving Plan.” This plan was developed as a guideline to assist members in systematic giving. The plan suggests that, in addition to returning 10 percent of a member’s personal income as tithe, certain percentages may be dedicated as offerings to three main categories:

- Local Church Budget: 3-5 percent
- Conference Advance: 1-2 percent  
(Education, evangelism, VBS, summer camps, and union magazines)
- World Budget: 1-3 percent

\*Visit [www.personalgivingplan.com](http://www.personalgivingplan.com) to see a more extensive breakdown for each category.

The My Personal Giving Plan encourages each of us to renew our commitment to the principles of Christian stewardship. While it blesses the church as a whole, its real impact is on us as individuals in our faith-based covenant with God.

Everything in God’s creation is orderly and purposeful. The same can be said of My Personal Giving Plan. Like all plans, it requires thought and consideration. No great work can be built upon emotional or sporadic giving.

### **Giving Options**

## A Review of what the Maintenance Reserve Fund has done here at Eastgate this year

This year we have accomplished a few building maintenance items which required your financial assistance but were not always things as obvious as new flooring or room lighting.

Our Garage had been broken into several times and some doors were damaged and no longer secure. So, repairs were made to our large roll up door, a new entry door was installed (steel with a steel frame) and a new roll up door was installed where we store our lawn mower. The combination of these has increased our security for that area of our church property.

Improvements were made to our irrigation system. Dwight Bartlett took on his first building project and constructed a shed over our irrigation pump area. It has been a blessing in keeping things (debris) out of the intake location of our water system and has improved reliability. Thank you Dwight for your time.

Campus Lighting, Exterior: Our own Casey Werner & Trent Fowler, owners of Power Solutions, replaced the entry lights on the North and South sides of the Narthex Entries. We now have low energy consuming, reliable lighting for our after dark events when entering the building. This has also been an improvement to our building security.

The Women's Restroom: This is an area where a combination of budgeted funds and private donations of both time and money were able to result in a completely new look for this area of our church. New wall colors, new improved lighting, child diaper changing station and decorations have all created a beautiful little space. One or two items remain [baseboard] to be completed. Someday we hope to replace the flooring, both carpet and linoleum. We again would like to express our appreciation to those individuals who helped along the way. April McCorkle, Barbara & Josie Henderson, Carol Hargreaves, Michelle Einig and Doug & Sherry Hamilton all contributed in different special ways.

Replaced All Bathroom Faucets to ADA Standards: Because of a private donation we were able to replace all of the old bathroom faucets. Thank you donor!

Fellowship Hall HVAC: Currently we are in a selection process to replace the heating and cooling system for the fellowship hall. After nearly 35 - 40 years the old system has failed. Our Facilities Committee will be finalizing the selection of both contractor and replacement equipment in a few days.

Future Plans: When we set a goal in our January Business Meeting of \$14,000 to be raised this year for building maintenance we were optimistic. Then COVID happened and some job losses occurred along with other effects on our church lives. The result has been that to date, approximately \$2,604.87 is what has been received toward the goal. What kinds of things have been left not yet completed?

Parking Lot Lighting Upgrades: It is our goal to improve the energy efficiency of our parking lot lights by converting them to LED lights. These would cost less to operate and would soon pay for the cost of the up-grade. Along the way, several lights have bulbs that have failed and need to be replaced; these would be dealt with in the change out.

Classroom Lighting: In the future we would benefit by up-grading current light fixtures to LED fixtures. This would again reduce energy consumption and the reward would be reduced energy bills. There will soon be a specific proposal for the Sanctuary Lighting.

HVAC up-grades: We have at least five units that are currently supplying heating and cooling to our building spaces that are in the 35 – 40 year old category. The replacement of these units will give us the most return on our energy savings. However, each unit is expensive; the average cost will be \$10,000 per unit. A replacement proposal will be included in a five year plan to be revealed at our next Church Business Meeting in January 9, 2021.

So, we wanted you to know that your contributions have been appreciated. We have spent over \$4,000 and we will continue to faithfully care for this facility that we have been blessed with. We care for it so that it can be used to further the ministry of Jesus Christ here in the Walla Walla valley. sm
