

## ***Welcome to Eastgate SDA Church!***

### ***A message from Pastor Eric Saylor***

Creation is amazing.

On the surface, with only a cursory glance, it can sometimes seem like the natural world is a confusing mess of random animals and plants trying to carve out a niche in a hostile environment. The opposite is true.

As researchers have delved into the mysteries of nature over the past couple of centuries there's been an increasing understanding that nature is neither chaotic nor random, but is interconnected and designed. This design is even seen by those who don't believe in a Creator.

In the forest different species of trees communicate with and support each other through their roots via intermediary funguses.

In the animal world creatures carve out habitats for each other by their activities and ways of living.

In the microscopic world bacteria and funguses keep each other in check so nothing gets out of balance.

It's beautiful!

The world flourishes in diversity.

God made the church to be diverse, and thus healthy, too. This Sabbath we will study how the early church struggled, and then thrived in diversity as the Spirit led them to face challenging opportunities.

I'm looking forward to worshipping with you!

One change we're facing this week is we will be worshipping without singing together. We will still be praying, studying and carefully fellowshiping together.

As normal, we will still be live-streaming the service on [Facebook](#). We will also upload it to [YouTube](#) later in the week.

If you want to support the live streaming improvements that many will be blessed by you can donate to the "Beam the Light" fund which will help us upgrade our sanctuary lighting system.

~Pastor Eric

**Offering for December 05 ~ Local Church Budget**

## *Eastgate Church News & Events*

### **Offering this week – Nov. 21, Local Church Budget**

*Let's give for the right reasons.* In 1939, U.S. president Franklin D. Roosevelt, at the behest of the retail lobby, decided to change the American Thanksgiving Day from its traditional date to one week earlier. The retail community was worried that the short shopping season would have a negative effect on the still fragile economy, and the president was trying to help stimulate it. Several states celebrated the original Thanksgiving Day. About half of the states decided to keep the new, earlier version of the holiday. Disruption, confusion, and acrimony led Congress to pass a law that cemented Thanksgiving Day to its original fourth Thursday of November.

In the spirit of Thanksgiving Day, let us recount all of the blessings that we have received from God in this past year. And when we sit down and plan our systematic giving to our local church, let us remember to give for the right reasons. Let us give with a grateful heart. Scripture tells us that God “loves a cheerful giver” (2 Corinthians 9:7).

Today our offering goes to the local church budget. When we give for the right reasons, cheerfully, with a love-filled heart, God will bless us abundantly.

### **Operation Christmas Child deadline this weekend!**

We want boys and girls around the world to know that God loves them and has not forgotten them during this time of fear and uncertainty. Children need great joy now more than ever. Most of all, they need the hope found only in the Gospel of Jesus Christ. Will you partner with us to share that glorious hope with boys and girls around the world - many of whom have never heard the Name of Jesus? We're looking forward to a great Operation Christmas Child season as we modify our collection and processing in light of COVID-19 in keeping with safety standards and state guidelines. Please consider picking up a cardboard box from the table in the foyer to fill or you can build one online for only \$25 including shipping at <https://www.samaritanaspurse.org/operation-christmas-child/buildonline/>. If you have any questions please contact Rachel Boram at 541-425-1919. Thank you for your generosity in serving God's children around the world!

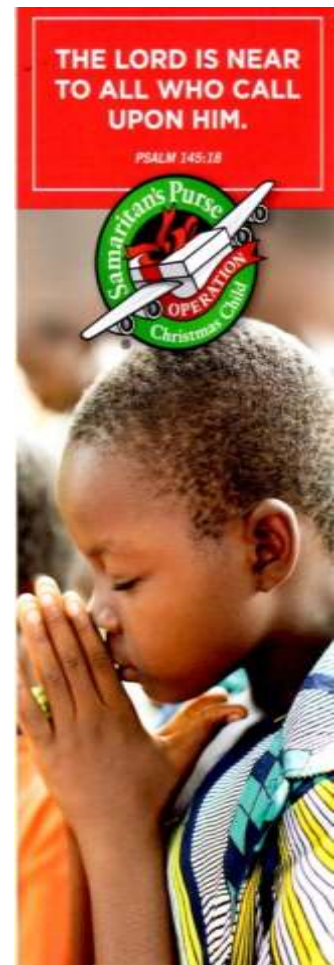

### **Community Service “Food Baskets” for - Thanksgiving**

This year we are giving *Gift Certificates* instead of cans and jars of groceries. We are accepting donations to purchase gift certificates to local grocery stores where families will be able to refund the certificates for specifically the kind of food they want and need. Families will be presented a gift certificates(s) based on family size and financial need.

We invite you to donate and/or recommend names of families to receive these gifts. Contact information will be needed so please watch the lobby for these communication cards.

Join on Sunday, November 22 at 3:00pm in the Fellowship Hall. Masking and social distancing to write cards of greetings that we can send along with the gift (cards) certificates to the families. Bring greeting cards to personalize or write on those provided.

Donations placed in a tithe envelop and labeled Community Services – Food Drive. Thank you for supporting this ministry.

### **SPECIAL CHRISTMAS MUSIC PROGRAM ~ PLANNING AHEAD!**

We are looking for a variety of ALL ages to participate in this service. Children, Parents, Families, Middle Age, Grandparents. Currently we are considering what options we will have regarding music due to COVID restrictions ~ if you would like to participate, please communicate with the church office now. [office@eastgateadventist.church](mailto:office@eastgateadventist.church). Thank you for helping us plan ahead. Our prayer is we are able to fill our church sanctuary without any social distancing or other COVID restrictions. Please pray for that Christmas Gift. Thank you.

### **SPECIAL MUSIC at Eastgate**

Would you like to serve the church in song? Maybe you would be willing to provide a special music on any given Sabbath? You can either contact the church office or Kim Boyd. He will once again be leading a team of individuals who will arrange for special music.

### **School News & Children’s Ministry Items**

#### **Parents of Children ~ What to do to keep your child engaged in “Jesus Learning”**

Dear Parents; There are a number of individuals who have been looking for exciting quality materials to help you as you minister to your children during this COVID time period. We have shared materials with you from the Alaskan, Southeastern California and Oregon conferences. This week we share materials from the Oregon Conference. Last week I tried to attach the file to your emails. However, it was a very large file and many email servers rejected the file. So, if you did not get that file but would like to see what is there for the kids, please go to our church website at [www.eastgatesda.org](http://www.eastgatesda.org). You will find the file in the newsletter portion of the site.

It looks to be outstanding material for parents to use as resource materials!

#### **Discovering Jesus in the Bible with Jesus 101**

Jesus 101 has just launched a new exciting resource for children! [Jesus101.tv/4kids](http://Jesus101.tv/4kids) features animated videos to help kids discover Jesus in the Bible, a valuable resource for churches, schools, and families. Each 90 second video tells Bible stories in a fun and instructive manner and has a coordinating coloring page that kids can download and color at home!

#### **Series on Mental Health for Teens Available**

Do you know a teen who is struggling with mental health issues? Do you want to be prepared to minister to teens in your church? This new series developed by NAD Youth & Young Adult Ministries includes booklets on depression, anxiety, suicidal thoughts, getting help, recovery tools, brain training, and staying healthy. More information can be found at [AdventSource](http://AdventSource).

## *Collegiate & Young Adult Events*

### **Sabbath Morning Hybrid Sabbath School Class**

This group is both hosting a Zoom meeting and meeting in person in their Sabbath School room here at the church on Sabbath mornings. They are on a study journey through the book of Esther. Bring a mask and join them for some fellowship.

### **Tuesday Evening Bible Study**

This group is will be meeting on the ZOOM platform; they may also be meeting in small groups with cautionary measures. To join this group and be in the know of how to meet, call Jason Malik at (541) 282-4264 or Josh Boram (541) 870-4661 or Mary Castrejon at (360) 349-7126.

## *Women's Ministry ~ the Sisters Corner*

*Words specifically for the hearts of women*

*But the fruit of the Spirit is love, joy, peace, patience, kindness, goodness, faithfulness, gentleness, self-control; against such things there is no law. Galatians 5:22-23*

Should we stay or should we go? Am I being self-centered or love-centered? When I pray for God's wisdom, is that because I don't like the advice I'm receiving and I hope He will tell me something different? Will God send me a personal message or does He expect me to weigh the pros and cons, use my brain, and choose to live out His character, love? What is the most loving thing to do?

In reality, holidays can become a logistical nightmare, even before Covid, as the kids grow-up, marry, and move away to start their own families and careers. How do you see her kids and grandkids without competing for time with the in-laws, fostering resentment, or incurring budget blowing expenses? Consider an All-a-Day! Choose a non-holiday weekend of mutual convenience for all family members, preferably when you can be outside and attendance isn't limited by the size of your home. Celebrate all the important holidays in one day, it is an All-a-Day (holiday) or All-in-One Day!

Start the day with a Valentine's Day breakfast including Valentine's Day cards, heart shaped pancakes, red syrup ..., and then transition outside for Easter baskets and egg hunts, include those resurrection eggs. Lunch is a picnic with patriotic music and flags to commemorate Memorial Day, Fourth of July, Labor Day, and Veteran's Day; parade and floats to follow later in the day. Dessert is cake and ice-cream to celebrate a year of birthdays, and of course, party favors for everyone! Lawn games, pumpkin carving, costumes, family photos, float building/decorating (bikes, wagons...), and that promised parade all captured by the videographer for posterity. An afternoon brimming with laughter and conversation culminates in the traditional family Thanksgiving/Christmas feast, then Christmas gifts, hugs, kisses, and setting the date for next year's All-a-Day.

Sometimes unwanted change allows us to start new traditions we wouldn't consider otherwise. Be creative and choose your own holiday mix of activities and celebrations. Don't have family? Create a "family" and enjoying planning an event for a future date when it's safe to gather. This season isn't forever. Maybe it's not an All-a-Day holiday, maybe something else fits your family better. If you bring love, joy, peace..., it will be appreciated! This Thanksgiving allow God's Spirit to flow through you into the lives of those within your sphere of influence. Happy Thanksgiving!

### **Keeping the financial health of our church in mind - Giving Plan**

*How your local church budget fits into "My Personal Giving Plan"*

Like every family, the local church family has financial obligations to meet. Some are easy to see like power and heat, but many are not so obvious: children's magazines, Sabbath School Bible study guides, teaching supplies, staff salaries, cleaning services, church school operating expenses, property insurance, worthy student fund, and community outreach. These are but a few of the costs that must be met month after month as the local church seeks to be a light in the community. Because these expenses are constant, My Personal Giving Plan recommends that 3-5 percent of one's income be set aside for the local church budget. This systematic giving ensures that all share both in the blessings and the responsibilities of the local congregation.

The North American Division encourages the use of the "My Personal Giving Plan." This plan was developed as a guideline to assist members in systematic giving. The plan suggests that, in addition to returning 10 percent of a member's personal income as tithe, certain percentages may be dedicated as offerings to three main categories:

- Local Church Budget: 3-5 percent
- Conference Advance: 1-2 percent  
(Education, evangelism, VBS, summer camps, and union magazines)
- World Budget: 1-3 percent

*\*Visit [www.personalgivingplan.com](http://www.personalgivingplan.com) to see a more extensive breakdown for each category.*

The My Personal Giving Plan encourages each of us to renew our commitment to the principles of Christian stewardship. While it blesses the church as a whole, its real impact is on us as individuals in our faith-based covenant with God.

Everything in God's creation is orderly and purposeful. The same can be said of My Personal Giving Plan. Like all plans, it requires thought and consideration. No great work can be built upon emotional or sporadic giving.

### **Local Church:**

#### **A Review of what the Maintenance Reserve Fund has done here at Eastgate this year**

This year we have accomplished a few building maintenance items which required your financial assistance but were not always things as obvious as new flooring or room lighting.

Our Garage had been broken into several times and some doors were damaged and no longer secure. So, repairs were made to our large roll up door, a new entry door was installed (steel with a steel frame) and a new roll up door was installed where we store our lawn mower. The combination of these has increased our security for that area of our church property.

Improvements were made to our irrigation system. Dwight Bartlett took on his first building project and constructed a shed over our irrigation pump area. It has been a blessing in keeping things (debris) out of the intake location of our water system and has improved reliability. Thank you Dwight for your time.

Campus Lighting, Exterior: Our own Casey Werner & Trent Fowler, owners of Power Solutions, replaced the entry lights on the North and South sides of the Narthex Entries. We now

have low energy consuming, reliable lighting for our after dark events when entering the building. This has also been an improvement to our building security.

**The Women's Restroom:** This is an area where a combination of budgeted funds and private donations of both time and money were able to result in a completely new look for this area of our church. New wall colors, new improved lighting, child diaper changing station and decorations have all created a beautiful little space. Someday we hope to replace the flooring, both carpet and linoleum. We again would like to express our appreciation to those individuals who helped along the way. April McCorkle, Barbara & Josie Henderson, Carol Hargreaves, Michelle Einig and Doug & Sherry Hamilton all contributed in different special ways.

**Replaced All Bathroom Faucets to ADA Standards:** Because of a private donation we were able to replace all of the old bathroom faucets. Thank you donor!

**Fellowship Hall HVAC:** Currently we are in a selection process to replace the heating and cooling system for the fellowship hall. After nearly 35 - 40 years the old system has failed. Our Facilities Committee will be finalizing the selection of both contractor and replacement equipment in a few days.

**Future Plans:** When we set a goal in our January Business Meeting of \$14,000 to be raised this year for building maintenance we were optimistic. Then COVID happened and some job losses occurred along with other effects on our church lives. The result has been that to date, approximately \$2,604.87 is what has been received toward the goal. What kinds of things have been left not yet completed?

**Parking Lot Lighting Upgrades:** It is our goal to improve the energy efficiency of our parking lot lights by converting them to LED lights. These would cost less to operate and would soon pay for the cost of the up-grade. Along the way, several lights have bulbs that have failed and need to be replaced; these would be dealt with in the change out.

**Classroom Lighting:** In the future we would benefit by up-grading current light fixtures to LED fixtures. This would again reduce energy consumption and the reward would be reduced energy bills. There will soon be a specific proposal for the Sanctuary Lighting.

**HVAC up-grades:** We have at least five units that are currently supplying heating and cooling to our building spaces that are in the 35 – 40 year old category. The replacement of these units will give us the most return on our energy savings. However, each unit is expensive; the average cost will be \$10,000 per unit. A replacement proposal will be included in a five year plan to be revealed at our next Church Business Meeting in January 9, 2021.

So, we wanted you to know that your contributions have been appreciated. We have spent over \$4,000 and we will continue to faithfully care for this facility that we have been blessed with. We care for it so that it can be used to further the ministry of Jesus Christ here in the Walla Walla Valley.
