

## *Welcome to Eastgate SDA Church!*

### *A message from Student Pastor Rachelle Martling*

At the beginning of my junior year in high school, I was determined to leave my family and friends and go somewhere new to start over. For about four years I had been feeling completely empty and purposeless with only small rays of hope in between. However, it was not God's will for me to leave the problems but to find healing right where I was at.

This healing process began with the difficult process of surrendering my control. Within a short period of time from surrendering my will, I went from completely empty to overflowing with joy. I would like to say that after that experience I never felt empty again, but I still have low moments. But from that moment on I did find a new life in Christ.

This Sabbath we will look at the problem of feeling empty and purposeless. Then we will look at Jesus' solution to this common human condition.

I hope you can join us on this journey of finding freedom in Christ. Remember, you can join us in face to face worship or on [Facebook](#) as we live-stream our service at 11:00am.

May God grant you rest and grace this Sabbath!

~ Pastor Rachelle

### **Offering Appeal for December 5, 2020 - Local Church Budget**

Consumerism or service? December is accompanied by holiday shopping anxiety for some of us. The holiday season implies spending and keeping up with “standards” that are self-imposed or copied from the proverbial Joneses. In November 2018, the American Research Group, Inc., noted that the average American would spend \$992 on holiday gifts. This number was up from the previous year (\$983 in 2017). Single-item purchases are becoming more expensive and larger. But something is changing. Consumers are getting fatigued with the constant drumbeat of spend, spend, spend. Movements are springing up around the idea of consuming less and living more affordably. From tiny houses to skipping gifting entirely, our society is shifting priorities. More and more people are treasuring experiences, family, and opportunities to serve instead of purchasing objects with an arbitrarily inflated value. The Bible reminds us that “where your treasure is, there your heart will be also” (Matthew 6:21). Before the holiday season begins, let us resolve to focus on people, needs, and opportunities to serve. Let us seek those in need in our local communities and cherish the opportunities God puts in our way. We have a choice: We can continue to be consumers, or we can be providers of vital services for those vulnerable and in need.

### **SPECIAL CHRISTMAS MUSIC PROGRAM ~ PLANNING**

#### ***December 19 – Church Service***

We will have a special church service on December 19.

You may have seen earlier that we were planning to have a Christmas service on December 12. However, the Washington State issued a mandate of no congregational singing from November 16 to December 14. Our desire to cooperate caused us to reschedule our program.

Please plan to participate with us in congregational singing, recitation of scripture and the celebration of the birth of our Lord Jesus Christ on December 19.

We have a program outline for the morning worship service. However, if you would like to participate in a specific way, please contact the church office to let us know.

Our prayer is we will be able to fill our church sanctuary and our overflow space. Please pray for that Christmas Gift. Thank you.

### **SPECIAL MUSIC at Eastgate**

Would you like to serve the church in song? Maybe you would be willing to provide a special music on any given Sabbath? You can either contact the church office or Kim Boyd. He will once again be leading a team of individuals who will arrange for special music.

### **Mom-ents - YAY for Presents!**

Ahhh fall; the crisp fresh air, the bursts of color falling from the trees, the smell of delicious baked goods wafting from kitchens and bakeries, and the ominous piles of toy catalogues piling up in our mail box. My lanta! I only remember one toy catalogue when I lived way back in the 1900s!

The other day I asked my kids what their favorite part of Christmas was. They were so sweet and came up with several great answers: "Sledding, hot chocolate, family time." Oh please, they're all under 10, so I pushed it. "Seriously though guys, what's your absolute favorite part of Christmas?" They sheepishly looked at me, and all blurted "The PRESENTS!!!" Ahhh; yes, the presents.

It *is* a fun part of the holiday, and so I made the mistake of letting our kids look through one of those evil little magazines a couple weeks ago. In my *unrealistic* imaginings I thought it would be fun to let the kids "dream" and "circle toys" like I did when I was a kid. I imagined happy little faces peering at magazines while sipping hot cocoa by the fire, a quiet peace filled

hour or so..... Yeah right, reality set in, they started *obsessing*, Days and DAYS of, “I can’t *LIVE* without that toy!!”

Now I’m going to interject right here before you think my kids are horrible little monsters. They are absolute delights, they are cheerful, and work hard together with our family. They are also kids, and honest to boot.

Now my husband and I had the opportunity for a teaching moment, and we seized the moment. “Now kids, while it’s fun to look, we need to learn to be patient and wait for Christmas. Who knows, maybe you’ll get it under the tree?”

That was not the answer they wanted to hear. “Buuuuuuut what if they’re ALL GONE by then?” they worried. “Well then, your second option is to pay for them yourselves.”

This was an answer they liked and they dove for their piggy banks. Unfortunately for them, they came up significantly short. Tears filled their eyes as they thought they were at the end of the line ... until one decided to work for the money.

I tell you they worked their little tails off, hauling lumber, picking up nails, sweeping, vacuuming, sorting, all because they saw the prize at the end. Finally, they triumphantly brought their earnings and we sat down together and ordered their treasures. They looked forward to the mail with excitement and longing until the long-awaited day arrived. *WHAT JOY!!!!*

You know, my kids are right. The BEST part about Christmas is the PRESENCE. The presence of the one who created us and adores us, just like our kiddos who worked so hard for their presents, *are we longing and striving for His presence?*

Jeremiah 29:13 says “You will seek Me and find Me when you search for Me with all your heart.” May you remember the true reason for the season and be truly blessed in the coming year.

### **Keeping the financial health of our church in mind - Giving Plan**

*How your local church budget fits into "My Personal Giving Plan"*

Like every family, the local church family has financial obligations to meet. Some are easy to see like power and heat, but many are not so obvious: children's magazines, Sabbath School Bible study guides, teaching supplies, staff salaries, cleaning services, church school operating expenses, property insurance, worthy student fund, and community outreach. These are but a few of the costs that must be met month after month as the local church seeks to be a light in the community. Because these expenses are constant, My Personal Giving Plan recommends that 3-5 percent of one's income be set aside for the local church budget. This systematic giving ensures that all share both in the blessings and the responsibilities of the local congregation.

The North American Division encourages the use of the "My Personal Giving Plan." This plan was developed as a guideline to assist members in systematic giving. The plan suggests that, in addition to returning 10 percent of a member's personal income as tithe, certain percentages may be dedicated as offerings to three main categories:

- Local Church Budget: 3-5 percent
- Conference Advance: 1-2 percent  
(Education, evangelism, VBS, summer camps, and union magazines)
- World Budget: 1-3 percent

*\*Visit [www.personalgivingplan.com](http://www.personalgivingplan.com) to see a more extensive breakdown for each category.*

The My Personal Giving Plan encourages each of us to renew our commitment to the principles of Christian stewardship. While it blesses the church as a whole, its real impact is on us as individuals in our faith-based covenant with God.

Everything in God's creation is orderly and purposeful. The same can be said of My Personal Giving Plan. Like all plans, it requires thought and consideration. No great work can be built upon emotional or sporadic giving.

#### **Giving Options**

In giving to the Lord's Work during this crisis, use your local church website or go to UCC

Giving site: [www.uccsda.org/giving](http://www.uccsda.org/giving)

#### **On a Local Note:**

Every congregation experiences challenges of meeting the financial budgets. During this past year we recognize and understand that members of our congregation have lost income in a variety of ways; reduced work periods, job loss or the loss of time services can be rendered. The challenge for some has been very stressful!

We ask each member to be aware of their church friends and acquaintances and help where help is needed!

With regard to the church budget we are behind in contributions. With a monthly budget of \$10,814 we have averaged a monthly giving of \$8,789.16. To date we have received \$22,273.22 less than our budget. Just like our family budgets, when our income is reduced, we are not able to complete certain planned repairs or advancements.

So as you look to the end of this year of giving, please keep in mind the mission of the church and whether you are able to help or not, we pray you will receive a special blessing.

## *Prayer Time ~ Cherishing People ~ "Pray for one another."*

We are inviting you to pray for members and friends of our church family each day. Please keep this in a place that will make it easy for you to remember to pray for one another.

"... we do not make requests of *You* because we are righteous, but because of *Your* great mercy. *O Lord listen! O Lord forgive! O Lord hear and act!"*
