

Welcome to Eastgate SDA Church!

A message from Pastor Eric Sayler

If you've spent any time around my family you'll know that we love animals. We have goats, a horse, chickens, dogs and a cat.

We are familiar with these animals. We know how to care for them and train them to be functional parts of our family.

Recently, we were offered something completely different. We've always had "traditional" pets and "normal" farm animals, but now we had the opportunity to adopt something completely unique: Sugar Gliders!

Sugar Gliders are marsupials that come from Australia, Indonesia, and other areas of that region.

Because we've never had exotic pets we had tons of questions. There were so many unknowns:

Would they be a good fit for our family? Could we provide for their needs? Would they get along with our other pets? We had to figure all this out before we committed. (They turned out to be awesome additions to our family, by the way)

Life is full of unknowns. Every fresh experience, each time we meet someone new, whenever we travel to an unknown place all we have is our past experience and what we've heard from others to give an idea of what to expect.

This Sabbath we're studying Acts 17 where Paul and Silas traveled from Thessalonica to Beroea, a place they'd never been. As they traveled they had no idea what would happen. Would they be persecuted as they had been in Philippi and Thessalonica? Would they and their message be accepted by those who heard it?

Join us this Sabbath as we explore Paul and Silas' journey to this new city. You can worship online on our [Facebook Page](#), you don't need a Facebook account to do so. Send us a digital note or comment, we miss you and would love to hear from you!

Or, you are welcome to come worship in person!

Remember, masks are expected to be worn properly. This is one way we can respect and show love to each other during this unusual time. If you are unable to wear a mask we would love to have you join us online. Thanks for your participation and teamwork in this important community process of flattening the infection curve and safeguarding those we love.

~Pastor Eric

February 27, 2021 ~ Upper Columbia Conference Advance

One Sabbath afternoon, a Texas pastor walked down a trail and discovered a large anthill. He knew the area often flooded, so he figured that these ants had built their home above the floodplain. His curiosity got the best of him, so he grabbed a stick and poked a small hole.

Part of the top area of the colony collapsed, and the ants rushed out in an offensive formation. First came the warriors to protect the perimeter. Following the warriors came the workers. The worker ants scouted the breach. Then they began touching antennas and went to work to close the breach.

Our Church Budget Giving to Date this Current Year2021 ~ The colony worked in unison. Each

ant had his or her unique and specific task. It was an emergency, and all placed their backs into it, making sure they restored the nest.

We can learn a lot about how ants work as a team. They work as one body.

We are told in the Bible that we are the body of Christ “that there should be no schism in the body; but that the members should have the same care one for another. And whether one member suffer, all the members suffer with it; or one member be honored, all the members rejoice with it. Now ye are the body of Christ, and members in particular.”

1 Corinthians 12:25–27

As a church, when we work together, we can move mountains for His glory. Let us work together today as we give toward the gospel mission of our Conference.

Bible Tours Offered in 2021

We are excited to once again offer Bible Study Tours led by Dr. Carl Cosaert, Dean of the School of Theology and Professor of Biblical Studies at Walla Walla University. Below is a list of tours in 2021 for you to consider:

March 29 - April 8, 2021 — The Steps of Paul and John Tour will be an unforgettable tour following the steps of the apostles Paul and John in Greece and Turkey. Towns like Athens, Corinth, and Ephesus will no longer be lifeless names on a page. Instead, they will be places full of meaning since you will have visited them yourself.

August 23 - September 3, 2021 — The Steps of Jesus Tour will be an extraordinary journey to Jordan and Israel that will bring the stories of Jesus and the early church to life unlike anything you have experienced before. Walking through the countryside in Galilee where Jesus often taught and seeing the remains of an ancient boat that dates back to Jesus time bring to life Biblical stories in a not to be forgotten way. Visiting the Nazareth Village provides an opportunity to see what life in Galilee would have been like in the time of Jesus.

December 13 – 23, 2021 – The Egypt Bible Tour will find you standing in front of the ancient Pyramids of Giza experiencing the same awe that Joseph felt when he stood before them nearly four thousand years ago. Visiting the spectacular monuments in ancient Thebes you will impress you with the courage and faith Moses had to have in God in order to stand up to the mighty Pharaoh of Egypt.

You will encounter many more experiences than those listed. Dr. Cosaert will be both your teacher and guide for all three tours. He has carefully chosen the best sites, hotel accommodations and restaurants to ensure your tour will be an amazing experience. For a complete itinerary and cost for the tour or tours you would like to join, please email Sharon Searson at sharons@uccsda.org or go to www.adventours.org.

The Love of God

By

Orva Hochstetler

May 1, 2017

We can feel it in a soft breeze.
We can see it in colored leaves.
We can receive it through a friend.
It will be with us in the end:
It's the love of God.

We can smell it in a red rose.
It helps us overcome our woes.
We can see it in clear blue skies.
It's reflected in child's eyes:
It's the love of God.

We can hear it in a praise song.
It guides us away from what's wrong.
We can see it in the starlight.
It helps us follow what is right:
It's the love of God.

We can let it rule our home.
It never leaves us all alone.
We can see it in falling rain.
And let it wash away our pain:
It's the love of God.

We can see it in a waterfall.
And watch it smash dividing walls.
We can see it in the strong winds.
And it helps us conquer all sins:
It's the love of God.

We can see it in the morning dew.
And feel it when the day is through.
It will comfort us when we cry.
And it won't let us tell a lie:
It's the love of God.

We can hear it in a still voice.
It gives wisdom for a right choice.
We can see it in a rainbow.
And let it wash us white as snow:
It's the love of God.

We can see it in the sunshine.
It leads to things that are divine.
We can feel it give us a test.
It motivates to do our best:
It's the love of God.

We can let it dry painful tears.
And have it cast out all our fears.
It will make us less demanding.
With peace beyond understanding:
It's the love of God.

We can feel it's amazing grace.
It's the halo around God's face.
It redeems the sins we have done.
It comes to us through God's Son:
It's the love of God.

We can feel it in our new birth.
It's so big it covers the earth.
We can see it by how folks live.
It gives us power to forgive:
It's the love of God.

We can receive it in our heart.
It gives us a daily new start.
We can feel it each time we pray.
And have more by giving it away:
It's the love of God.
