

Welcome to Eastgate SDA Church!

A message from Pastor Eric Sayler

When I was about 12 years old the church I grew up in had a special celebration. It had been 100 years since the Tillamook Adventist Church had been established and for months the members prepared for a grand homecoming weekend.

That weekend the sanctuary was packed. People from far and wide had traveled back home to tell stories, reconnect, and enjoy fellowship. Even the Oregon Conference president was there. In fact, he had a special part of the worship service: the morning prayer.

I remember that prayer. As song service drew to a close the honored, elderly church statesman took the mic and reverently knelt and began to pray. He prayed and prayed and prayed. He prayed for nine minutes.

Now, in your personal prayer time that's not extravagant. Maybe it's just a beginning, and that's wonderful. But for corporate worship the best prayers are heartfelt and to the point. This was not.

For a young boy who is easily distracted this was quite the experience.

This memory reminds me of a story in Acts where Paul preached a *super duper* long sermon and another young boy found it rather boring. We'll be looking at that story this Sabbath, I hope you can join in!

We'll be worshipping in person with masks and distancing, feel free to come!

We'll also be streaming the service on our [Facebook page](#). Feel free to check it out and share it with others!

Remember that if you're feeling under the weather, whether because of a cold, covid, or any other reason, you're welcome to join in from home. Remember to drop us a note in the video comment section so we can wish you a Happy Sabbath!

~Pastor Eric

This week's offering emphasis

April 17, 2021 - Local Church Budget

"How can you maintain a church school? Your congregation is so small!" This question came from parents whose membership was at a nearby church that had no school of its own. "We are so thankful to send our children here. But we don't see how you manage. Our church can't afford a church school!"

The church school often struggled with finances. But by the end of each fiscal year, it had stayed within budget. The pastor and church determined that educating the youth of the church was the top church priority. "It's our investment

in the church's future," the pastor explained.

The children from their church school would grow to be the church of the future. Not only that, but there would be eternal, heavenly rewards for this church who had invested in the Christian education of their young people.

So, despite the challenges, this church channeled 66 percent of their church budget to keep the church school in the black. They rejoiced to continue to sacrifice to keep their school. Their church school still operates today.

The results are clear. Many of the youth from the school are still active members of the worldwide church. Those youths give thanks for the spiritual care that teachers and faculty provided and to those members who contributed to the church budget year after year.

The Bible is clear. "Train up a child in the way he should go: and when he is old, he will not depart from it." Proverbs 22:6

Keeping the financial health of our church in mind Giving Plan

How your local church budget fits into "My Personal Giving Plan": Like every family, the local church family has financial obligations to meet. Some are easy to see like power and heat, but many are not so obvious: children's magazines, Sabbath School Bible study guides, teaching supplies, staff salaries, cleaning services, church school operating expenses, property insurance, worthy student fund, and community outreach. These are but a few of the costs that must be met month after month as the local church seeks to be a light in the community. Because these expenses are constant, My Personal Giving Plan recommends that 3-5 percent of one's income be set aside for the local church budget. This systematic giving ensures that all share both in the blessings and the responsibilities of the local congregation.

The North American Division encourages the use of the "My Personal Giving Plan." This plan was developed as a guideline to assist members in systematic giving. The plan suggests that, in addition to returning 10 percent of a member's personal income as tithe, certain percentages may be dedicated as offerings to three main categories:

- Local Church Budget: 3-5 percent
- Conference Advance: 1-2 percent (Education, evangelism, VBS, summer camps, and union magazines)
- World Budget: 1-3 percent

*Visit www.personalgivingplan.com to see a more extensive breakdown for each category.

The My Personal Giving Plan encourages each of us to renew our commitment to the principles of Christian stewardship. While it blesses the church as a whole, its real impact is on us as individuals in our faith-based covenant with God.

Everything in God's creation is orderly and purposeful. The same can be said of My Personal Giving Plan. Like all plans, it requires thought and consideration. No great work can be built upon emotional or sporadic giving.

In giving to the Lord's Work during this crisis, use your local church website or go to www.uccsda.org/giving.

Bible Tours Offered in 2021

We are excited to once again offer Bible Study Tours led by Dr. Carl Cosaert, Dean of the School of Theology and Professor of Biblical Studies at Walla Walla University. Below is a list of tours in 2021 for you to consider:

August 23 - September 3, 2021 — The Steps of Jesus Tour will be an extraordinary journey to Jordan and Israel that will bring the stories of Jesus and the early church to life unlike anything you have experienced before. Walking through the countryside in Galilee where Jesus often taught and seeing the remains of an ancient boat that dates back to Jesus time bring to life Biblical stories in a not to be forgotten way. Visiting the Nazareth Village provides an opportunity to see what life in Galilee would have been like in the time of Jesus.

December 13 – 23, 2021 – The Egypt Bible Tour will find you standing in front of the ancient Pyramids of Giza experiencing the same awe that Joseph felt when he stood before them nearly four thousand years ago. Visiting the spectacular monuments in ancient Thebes you will impress you with the courage and faith Moses had to have in God in order to stand up to the mighty Pharaoh of Egypt.

You will encounter many more experiences than those listed. Dr. Cosaert will be both your teacher and guide for all three tours. He has carefully chosen the best sites, hotel accommodations and restaurants to ensure your tour will be an amazing experience. For a complete itinerary and cost for the tour or tours you would like to join, please email Sharon Searson at sharons@uccsda.org or go to www.adventours.org.

I Praise You, God by Janice Canerdy

Your ways are just; Your love is pure.
The paths you choose for me are sure.
The world still tempts, but You're my Stay.

You make Your Spirit's presence known.
I know each day when I awake,
Your children You will not forsake.
