

Welcome to Eastgate SDA Church!

A message from Elder Carol Hargreaves

The children of Israel were an interesting bunch of people, maybe not much different than us. Sometimes they trusted God and things went well, often they tried to figure things out on their own or looked at their heathen neighbors and followed their lead. The book of Judges ends with this observation in Judges 11:25 NIV, “In those days Israel had no king: everyone did as he saw fit.” Or “...what was right in his own eyes.”

Then Samuel came along, and prayed for a baby, a much loved son, trained to serve the Lord. Apparently when Eli was alive, Samuel did not take leadership. However, Eli died when the ark had been captured – and later it was returned to Israel.

Twenty years went by before we hear of Samuel again. This time the people want to return to God, and when do, the Philistines prepare to attack. Samuel prays. We will explore “Conversation with God” as we meet together Sabbath.

It is my prayer you will be able to join us in worship this Sabbath whether in-person or online at our [Facebook Page](#).

~Blessings,

~ Carol Hargreaves

We have been joyful to be able to meet without social distancing or seating limitations. However recent trends in COVID diagnosis here in the valley suggest we should continue to be cautious. Health officials recommend people who are not vaccinated continue to wear masks when indoors. Those who have health concerns are welcome to continue to practice masking and we will continue to provide masks for those who chose to wear one.

Thank you for remembering to self-diagnose, self-regulate, masks are available as you enter our lobby.

OFFERING OF THE DAY ~ July 24, 2021 ~ KEEP Endowment

A UCC teacher writes: "He was not happy to be there. I could tell that on the first day. He was there because his former school was not meeting in person due to COVID and we were. His quiet insolence continued despite many efforts by his fellow classmates and me to engage him in conversation and interact with him.

I reminded him that I was glad that he was there and that we had a wonderful group of students in our classroom. 'Why don't you give them a chance' I said. I also prayed...a lot...about him and his peace at our school. God heard my prayers. Gradually I saw smiles, and he even

began to turn in a few assignments. Then, one morning during our classroom worship, we spent time going over the ADRA gift catalogue to determine which projects we would sponsor as a class for Christmas. After worship, when I asked the students to hand in their assignments from yesterday and as I prepared to teach class, he approached me with tears in his eyes. 'Would it be okay if our family chose some more of those projects at home?'

I see a lot of evidence in this world of a Creator but the biggest evidence to me that my God is alive and at work is the power of transformation in a changed life. He answers prayer every day!”

Your generous offering today benefits the Kids Educational Endowment Program which stewards your contributions to help bring one more into the kingdom of God!

—Brian Harris, UCC vice president of education

What is the Secret to Long Life?

Loma Linda was chosen as a center for longevity along with a handful of other locations in the world. Why? Are there lessons there that we can learn to improve our own health and longevity? Cindy

Williams, UCC health ministries coordinator explores this topic further in her most recent article. Read the full story at news.uccsda.org/secret71421. **Mental Health and the Gospel** According to the National Alliance on Mental Illness, about one in five adults in the U.S. — 43.8 million — experiences mental illness in any given year. Bible Tours Offered in 2021

We are excited to once again offer Bible Study Tours led by Dr. Carl Cosaert, Dean of the School of Theology and Professor of Biblical Studies at Walla Walla University. Below is a list of tours in 2021 for you to consider:

August 23 - September 3, 2021 — The Steps of Jesus Tour will be an extraordinary journey to Jordan and Israel that will bring the stories of Jesus and the early church to life unlike anything you have experienced before. Walking through the countryside in Galilee where Jesus often taught and seeing the remains of an ancient boat that dates back to Jesus time bring to life Biblical stories in a not to be forgotten way. Visiting the Nazareth Village provides an opportunity to see what life in Galilee would have been like in the time of Jesus.

December 13 – 23, 2021 – The Egypt Bible Tour will find you standing in front of the ancient Pyramids of Giza experiencing the same awe that Joseph felt when he stood before them nearly four thousand years ago. Visiting the spectacular monuments in ancient Thebes you will impress you with the courage and faith Moses had to have in God in order to stand up to the mighty Pharaoh of Egypt.

You will encounter many more experiences than those listed. Dr. Cosaert will be both your teacher and guide for all three tours. He has carefully chosen the best sites, hotel accommodations and restaurants to ensure your tour will be an amazing experience. For a complete itinerary and cost for the tour or tours you would like to join, please email Sharon Searson at sharons@uccsda.org or go to www.adventours.org.
