

## *Welcome to Eastgate SDA Church!*

### *A message from Pastor Eric Sayler*

Have you ever thought about how funny our noses are?

We each have one, in one shape or another.

But a nose is a funny thing: a sharply angled, cartilaginous, facial protrusion into which two snorkel holes are fitted.

Now, don't get me wrong, I'm thankful for my nose and I think yours looks great but I still think their kinda funny.

In our passage this week we're going to learn something about God's "nose." Hint: it's long.

Join in this Sabbath for our next study on God's Character! You are welcome to worship in person, *please* wear a mask if you do! Our healthcare system is stretched to the breaking point. We need to do everything we can to care for each other and support our healthcare providers.

You can also join in online through our [Facebook Page](#). Leave a comment if you do!

## **Outreach Workshop 2.0 – September 11, Sabbath Afternoon**

*"For the Son of Man came to seek and to save those who are lost."*

This is a follow up to our meeting on August 21. After 1:00pm we will begin the workshop where we will continue to develop a vision of how we might share the gospel with our community and the world.

After the worship service we will share a COVID-safe meal in the back yard (served by mask and glove-wearing servers), provided by the church. If you are hesitant to share a public meal, you are also welcome to eat at home and return for the outreach workshop.

### **HEARING IMPAIRED ??? HOW MAY WE HELP YOU "HEAR" OUR SERVICE BETTER?**

Are you aware that we have a number of individuals within our congregation who suffer some level of hearing impairment? Several rely on their "Lip Reading Skills" to hear our conversations, greetings and the ability to exchange ideas in our Sabbath School Classes.

As a classroom teacher I remember learning that one of the 15 year old girls in my class had a 60% hearing loss. Every time I turned my back to the class as I wrote on the chalk board, I was impairing her ability to "hear" what I was presenting. I was unaware of her unique concerns. It was not until I became aware of her specific need that I was able to modify my presentations to meet her needs.

#### ***Are we unaware of your hearing concerns or limitations?***

As we are making changes to our Audio/Video System, we need to understand the needs of our congregation so we can move to provide the best possible solutions to meet all of our needs? Will you please share with us what systems or mechanisms or software work best for you?

If you or a family member has special needs, we your church family need to know so we can improve our communication with you. Maybe all it takes is to make sure that we are turned so you can see our

face as we speak. Maybe we need to be aware that you cannot “hear” two people speaking at the same time!

Please share what you have learned with us. The best contact point is our church office. Our office manager will communicate with our leadership so that the Worship Team can best communicate with each and every member of this our Eastgate SDA church family. Thank you!

### **OFFERING OF THE DAY ~ World Budget: September 11, 2021**

Everyone old enough to have experienced September 11, 2001, will remember that day. One of the most tragic events in the history of the United States happened when two planes flew into the Twin Towers in New York City. Our world has not been the same since.

As the news spread, the Greater New York Conference and the North Eastern Conference joined forces to provide immediate help.

A Manhattan church opened its doors for the Fire and Police Departments. Rapid response task force meetings met in the church's boardroom.

Various Sabbath School classrooms gave police officers and fire department personnel a safe place to sleep between shifts.

The church location provided quick access to ground zero. Church cooks worked in the fellowship hall to prepare food for the emergency workers. On the Hudson River Park Pier, Community Services departments worked to help unload essential supplies needed at the site of the tragedy.

To this day, those efforts have impacted the reputation of our church in a positive way.

In our uncertain world, we never know when our gifts to World Budget, along with gifts of time and effort, will be needed. God can accomplish great things for His glory when His people commit their lives and resources to Him.

*The Bible says, "For where two or three are gathered together in my name, there am I in the midst of them." Matthew 18:20 Let us work together to impact the world for Christ.*

### **Eastgate Church News & Events**

#### **Sabbath, September 11 following the church service ~ presented by Children's Ministries**

#### **Ice Cream Social**

Immediately following worship service on Sabbath, the Children's Ministries Team would like to share some ice-cream with you. Enjoy a sweet treat before you head to your afternoon activities.

#### **New Face-to-Face Prayer Meeting to Gather weekly at the church Fellowship Room!**

For all of you who have been feeling like you want a closer connection with friends and other church members, and are seeking an opportunity to meet and pray together, let's plan to meet at 6:30pm Wednesday evenings in the Fellowship hall at the church to pray and hear some from God's word.

It will be a time to come together and pray for each other, for needs of other church members, to pray for our leaders and Pastor Eric. Prayers for our nation, our worldwide church, for needs like Afghanistan, Haiti, Cuba, other places where life is hard.

It is a time to share God's goodness and answers to prayer, a time to "give fresh heart" to our fellow prayers. God encourages us to pray together. Our prayers are important to Him. He records each of them. Let's gather for our first prayer group at the church September 8, 6:30pm in the Fellowship hall.

God bless all of you.

### **SPECIAL MUSIC at Eastgate**

Would you like to serve the church in song? Maybe you would be willing to provide a special music on any given Sabbath? You can either contact the church office or Kim Boyd. He will once again be leading a team of individuals who will arrange for special music.

### **Outdoor Church coming September 25 at Harris Park, South fork of the Walla Walla River**

Plan to join the gathering up the South fork of the Walla Walla River on Sabbath September 25. Plan to gather in small groups at 10:00am and spend time in our Sabbath School study subjects. At 11:15 we will start our church service with praise singing. Bring your instruments to add praise! We may need a sweater or light jacket but we will enjoy the first weekend of autumn after this summer of heat!

Following our worship service we will feast on the picnic meals which we prepare for our family units. This is NOT a potluck meal. We will share the outdoor dining facilities of open green grassy spaces!

Some may organize a walk/hike up the river trail for a time during the afternoon or you may choose to stretch out in your lawn recliners and spend some quality social time. Create an interactive social time that will introduce yourself to members you may not yet know!

We, EAC, will have the area reserved for our use all day so you may plan for a picnic supper too if you are so inclined!?! If possible, please car pool as the parking is limited.

Harris Park is 40 minutes from the Eastgate church and 21.7 miles. It is specifically located at 78689 S Fork Walla Walla River Rd, Milton-Freewater, OR 97862

### Each Sabbath Morning: Every Man A Warrior; Helping Men Succeed in Life

*Please Meet in the Library this Sabbath ~ 9:00 AM*

This Sabbath the Eastgate Men's Ministry Team will continue a special Sabbath Morning study group – yes, for men only. The *Every Man a Warrior* guide book has a total of 27 lessons and according to the publisher may be the most practical Bible study most men will ever do. It is designed specifically to deal with the issues that men face and need to succeed in. Field tested for 2 years, it has been used with men of all ages from teens to men in their 70s. Toby Slater will lead in studying the first week and share the role with others as they progress. **Please remember to come early.**

### Forged: Wrought in the Fire – A Weekend For Men Who Don't Go To Retreats

Our second annual men's retreat for men who don't like going to retreats is coming up September 24-26 at Camp MiVoden. Early bird registration ends September 1. Forged is a weekend event sponsored by Summit Northwest Ministries, created by men who don't normally go to retreats. We feel the Christian life was not meant to be dull or boring. Instead, it is an adventure requiring bravery, courage, and grit. It is filled with battles to be fought and challenges to be overcome. However, the thought of sitting in meetings all day may not be what we're looking for. Forged is about connecting with a group of guys, participating in some weekend shenanigans, supporting and challenging each other to reach our full potential. Whether you are a guy who likes to blow things up, or one that would rather hang out and heckle those who do, this weekend is for you. We want to be better bachelors, boyfriends, husbands, fathers, and followers of Christ, and we plan to have a good time doing it. For more information see [news.uccsda.org/forged8421](https://news.uccsda.org/forged8421).
