

## *Welcome to Eastgate SDA Church!*

### *A message from Pastor Eric Sayler*

We had a terrible peach crop this year. A late frost caught our two trees and only two blossoms were able to produce fruit.

This is the second year in a row this has happened, last year we got one peach. The year before, however, we had hundreds.

What made the difference? Consistency. Not from the tree, from me.

Each spring I watch the forecast, paying close attention to when a frost might happen and, if I'm consistent and faithful, I can protect the trees by heating the air around them, coating them with a fine mist of water, etc.

But the past two years I haven't been consistent in action, I haven't demonstrated loyal, steadfast love toward my peach trees.

But God always, consistently demonstrates steadfast, loyal love toward us.

Join us at Harris Park on the south fork of the Walla Walla River tomorrow as we explore this essential truth of God's character: Steadfast Love.

Bring a picnic lunch and hang out for the day!

Because we will be out in nature we won't be live-streaming our service, but we do intend to record and post it later (if it works properly).

See you there!

~Pastor Eric

### **OFFERING OF THE DAY ~ September 25, 2021 ~ UCC Bible Workers (Previously called Outreach Coordinators)**

Early last summer, Geri and her husband, Ron, were moving out of their townhouse. Ron had been a Seventh-day Adventist all of his life, while Geri, predominantly a Catholic. Even so, Geri had been attending church on Sabbath with Ron and then went to mass on Sunday.

While doing so, Geri started to notice that the Seventh-day Adventists spent time together during the week and that they were friendly. But what really made the difference was when a group of church members all joined in one Sunday to help them move to their new house. Something that would have been costly and time

consuming was done in a short time. Geri was blown away. "This would never have happened in the Catholic Church!" she exclaimed when retelling the blessing that she received. "I want to start studying my Bible," she decided.

Prayerfully a Bible Worker organized a group study with Geri and her husband. Lesson after lesson Geri felt scales falling from her eyes. She saw no more need to confess to a priest or pray the Rosary but could talk directly with Jesus. She was comforted that her mother was not in purgatory and that the Bible could be understood. Geri developed friendship bonds with church members which helped her remain steadfast as tough topics such as the antichrist were breached. She finally chose to give her life to Jesus in baptism. Please pray as Geri continues her walk with her Savior!

Christ's method alone can reach the hearts of people and our Bible Workers are dedicated to proving this in their church's communities. Supporting Bible Workers with your offerings today enables them to continue ministering face to face with people like Geri.

### **Outdoor Church This SABBATH at Harris Park, South fork of the Walla Walla River ~ September 25**

Plan to join the gathering up the South fork of the Walla Walla River on Sabbath September 25. We encourage you to gather in small Sabbath School groups at 10:00am and spend time in our Sabbath School study subjects. At 11:15 we will start our church service with praise singing. Bring your instruments to add praise! We may need a sweater or light jacket but we will enjoy the first weekend of autumn after this summer of heat! (current forecast 87 here in the WW Valley)

Following our worship service we will eat our picnic meals which we prepare for our family units. This is NOT a potluck meal. We will share the outdoor dining facilities of open green grassy spaces!

Some may organize a walk/hike up the river trail for a time during the afternoon or you may choose to stretch out in your lawn recliners and spend some quality social time. Bring Lawn Games! Create an interactive social time that will introduce yourself to members you may not yet know!

We, EAC, will have the area reserved for our use all day so you may plan for a picnic supper too if you are so inclined!?! If possible, please car pool as the parking is limited.

Harris Park is 40 minutes from the Eastgate church and 21.7 miles. It is specifically located at 78689 S Fork Walla Walla River Rd, Milton-Freewater, OR 97862
