Giving Opportunities

The giving of this congregation has been such a blessing this year. We have been able to address several projects to maintain our facility. In the coming months we will be addressing changes to our lobby doors to improve temperature control and security. Next summer we will be resealing the church parking lot, carpet improvements need to be undertaken, an evangelism campaign needs some funding and our children's divisions may have special needs. Your contributions will be welcome as you are moved to support this areas. Thank you!
